as a candidate in 2008 barack obama distanced himself from same sex marriage saying he believed marriage was a sacred union between a man and a woman in 2012 he did just the opposite proclaiming it was important for him to affirm the right of same sex couples to marry this dramatic about face put the most powerful man in the world at the front of the battle for gay rights giving lgbt americans and their advocates an invaluable ally in their struggle for freedom just one year later the supreme court would strike down key provisions of the defense of marriage act and no democratic presidential nominee would ever again shun marriage equality as former advocate journalist kerry eleveld shows obama s support transformed the issue of gay rights from a political liability into an electoral imperative and in don t tell me to wait she offers a boots on the ground account of how gay rights activists pushed the president to this political tipping point obama s evolution on marriage equality was not the result of a benevolent politician who entered the oval office with a wealth of good intentions rather pressure from lesbian gay bisexual and transgender activists changed the conversation issue by issue as a result of the protests and outcry following the passage of california s same sex marriage ban obama realized that overturning the military s don t ask don t tell policy was the one 2008 campaign promise he couldn t ignore while pledges to other progressive constituencies fell apart during obama s first two years in office the lgbt rights movement protested the administration s fecklessness early and often by the time the sun set on the 111th congress the don t ask don t tell repeal had become the sole piece of major progressive legislation to become law the repeal s overwhelming success and popularity paved the way for other lgbt advances including the president s eventual embrace of the freedom to marry with unprecedented access and unparalleled insights into this hot button issue don t tell me to wait captures a critical moment in lgbt history and demonstrates the power of activism to change the course of a presidency and a nation

americas public schools are in decline and in need of urgent reform once the envy of the entire world the american public school system now struggles to keep pace with other industrialized nations and is falling further behind with each passing decade this disturbing trend raises two important questions why did our schools decline what must we do to make our schools great again to answer these questions misguided notions goes back to the roots of human civilization and retraces the development of education over the last ten thousand years along the way a wise reformer offers warnings based on his eyewitness accounts of the collapses of historys greatest civilizations the evidence is clear when schools discard tried and proven principles of education and when society abandons its core values both will collapse the commonsense solutions offered in misguided notions combine proven old school educational principles with the advantages of modern technology teachers principals school board members parents community leaders and politicians perplexed by the lack of answers to the current dilemma in public education can find enlightenment in misguided notions

Examples & Explanations for Employment Discrimination

2019-12-07

why are americans obsessed with the home run in sports business and even life what made the steroid era inevitable revisiting the great home run seasons of babe ruth through those of barry bonds all the babe s men answers these and other provocative questions baseball and particularly the long ball itself evolved via accident necessity and occasional subterfuge during the dead ball era pitching ruled the game and home run totals hovered in the single digits then a ban on the spitball and the compression of stadium dimensions set the stage for new sluggers to emerge culminating in ruth s historic sixty homer season in 1927 the players owners and fans became hooked on the homer but our addiction took us to excess as the home run became the ultimate goal for hitters players went to new lengths to increase their power and ability to swing for the fences by the time barry bonds set a new single season record in 2001 americans had to face the fact that their national pastime had become corrupted from within through a play by play analysis of the game s historic long ball seasons its superstars and the contemporary legal nightmares and tainted records all the babe s men divulges how america evolved into a home run society where baseball is king

Don't Tell Me to Wait

2018-09-25

how obama overestimated the power of rhetoric and persuasion during his presidency when barack obama became president many americans embraced him as a transformational leader who would fundamentally change the politics and policy of the country yet two years into his

administration the public resisted his calls for support and congress was deadlocked over many of his major policy proposals how could this capable new president have difficulty attaining his goals did he lack tactical skills in overreach respected presidential scholar george edwards argues that the problem was strategic not tactical he finds that in president obama s first two years in office obama governed on the premise that he could create opportunities for change by persuading the public and some congressional republicans to support his major initiatives as a result he proposed a large expensive and polarizing agenda in the middle of a severe economic crisis the president s proposals alienated many americans and led to a severe electoral defeat for the democrats in the 2010 midterm elections undermining his ability to govern in the remainder of his term edwards shows that the president s frustrations were predictable and the inevitable result of misunderstanding the nature of presidential power the author demonstrates that the essence of successful presidential leadership is recognizing and exploiting existing opportunities not in creating them through persuasion when obama succeeded in passing important policies it was by mobilizing democrats who were already predisposed to back him thus to avoid overreaching presidents should be alert to the limitations of their power to persuade and rigorously assess the possibilities for obtaining public and congressional support in their environments

American History through American Sports

2011-11-16

this in depth analysis shows how the high stakes contest surrounding open source information is forcing significant reform within the u s intelligence community the homeland security sector and among citizen activists since 9 11 u s intelligence organizations have grappled with the use of open source information derived from unclassified material including international newspapers television radio and websites they have struggled as well with the idea of sharing information with international and domestic law enforcement partners the apparent conflict between this openness and the secrecy inherent in intelligence provides an opportunity to reconsider what intelligence is how it is used and how citizens and their government interact in the interests of national security that is the goal of no more secrets open source information and the reshaping of u s intelligence to write this thought provoking book the author drew on his own direct participation in the institutionalization of open source within the u s government from 2001 to 2005 seeking to explain how these developments influence the nature of intelligence and relate to the deliberative principles of a democratic society by analyzing how open source policies and practices are developed maintained and transformed this study enhances public understanding of both intelligence and national security affairs
