this third edition reflects the numerous and in some areas profound changes to the law in the last decade the section on family law covers the new children s act and the rights of children and parents when families separate similarly the section on the legal system explains the major changes in legal aid procedures including constructive criticism of what is wrong with the legal system the influence european community legislation has in the united kingdom is explained too in addition there is new material on the legal factors which have to be taken into account by any business venture including a section on insolvency of companies and bankruptcy of individuals all of which have changed since the previous edition

## **Learning Legal Rules**

2003

much writing in critical legal studies has been devoted to laying bare the contradictions in liberal thought there have been attacks and counterattacks on the liberal position and on the more conservative law and economics position kelman demonstrates that any critique of law and economics is inextricably tied to a broader critique of liberalism
