the main focus of the fifth edition is the application of the amendments to the ICC rules in 2017 and the introduction of several new provisions in 2021 both under the aegis of Alexis Mourre as president of the ICC Court these include in particular the application of article 29 with respect to emergency arbitrators introduced in 2012 as well as the application of article 30 with respect to expedited procedures introduced in 2017 in addition in 2021 was another welcome addition to the ICC rules in article 43 which provides that claims against the ICC are subject to French law and to the Paris judicial tribunal pref

### ***ICC Arbitration in Practice 2015-12-19***

the collection of ICC arbitral awards 1991-1995 contains extracts of cases handled by the ICC Court of Arbitration one of the world's most respected arbitral institutions this most recent collection supplements two previous and successful volumes containing awards from the periods 1974-1985 and 1986-1990 this collection is a practical reference tool containing three types of useful indexes incorporating information from all three volumes for the first time a consolidated analytical table in both English and French contains extensive cross references based on the terminology used in awards and case notes a chronological index lists the awards a key word index also provided in both languages allows the reader to locate the material of interest quickly and easily in addition to providing a wealth of information in a highly accessible manner this book includes case notes and expert commentaries on the awards this publication is an indispensable reference work for anyone interested in international arbitration and in the reasoning of international arbitrators on the interpretation and application of contractual clauses international conventions and the law of international trade it is invaluable to both scholars and practitioners involved in the drafting and negotiation of international commercial contracts and the resolution of

## **Collection of ICC Arbitral Awards, 1996–2000 1990**

this indispensable volume provides a complete and authoritative discussion of the icc rules and their application organized by arbitration rules it contains an article by article analysis of the rules including a comparison with the text of the relevant section of the 1975 rules along with comprehensive indexes for tracking the rules of the court and advice for arbitrators each annotation contains an explanation of the rationale that drove the revision or incorporation as well as the expected effect on icc arbitration practice where the rules are influenced by other established arbitration rules appropriate cross references appear contents summary overview of the 1998 rules annotated text with commentary arbitral tribunal and proceedings awards costs conversion tables appendices to the 1998 rules index

## ***Arbitrating Under the 2012 ICC Rules 2012***

irrespective of the increasing harmonization of law at the transnational level every arbitration raises a number of conflict of laws problems relating to procedural questions as well as to issues concerning the merits of the case unlike a state court judge the arbitrator has no *lex fori* in the proper sense providing the relevant conflict rules to determine the applicable law this raises the question of what conflict of laws rules to apply and consequently of the extent of the freedom the arbitrator enjoys in dealing with this and related issues the best example of the importance of conflict of laws questions in arbitration is the *vivendi elektrim saga* where the outcome of the various proceedings depended on the question of characterization this very beneficial book is dealing with the arbitration agreement the jurisdiction of the arbitral tribunal the law applicable to the merits and the arbitration procedure

## **2016 - 2020 2022**

the internal organisation and practices of operation of arbitral institutions are often not transparent and are rarely addressed in public discussions among arbitration practitioners to shed some light on aspects of the internal organisation and operation of these institutions asa asked the mids geneva llm in international dispute settlement to conduct a broad survey of arbitral institutions based on a detailed questionnaire the results are summarized in chapter 1 of this volume the further

chapters of this volume contain the presentations of the speakers at the asa conference of 9 september 2011 they discuss responsibilities of the institutions in administering arbitration cases under their sets of rules in the different phases of an arbitral proceeding from the constitution of the arbitral tribunal to supervision and quality control to financial aspects such as cost control and the potential liability of arbitrators in sum this volume of the asa special series contains a lot of interesting information for all arbitration practitioners and users of institutional arbitration services

## **The Evolution of International Arbitration 2017-02-03**

this second volume of the collection of icc arbitral awards contains the awards that have already been published between 1985 and 1990 in the yearbook commercial arbitration the journal du droit international clunet and also in the international construction law review as in the past volume 1974 1985 certain awards are produced both in english and french the analytical table of volume ii covers all the awards contained in both volumes i and ii the publication also includes a consolidated analytical table a chronological index and a table of cross referenced tables this book is an invaluable reference for anyone who wants to be informed about the icc arbitration procedure and the awards made applying the different laws of a variety of trading nations it is equally useful to the practitioner involved in drafting negotiating and resolving international commercial contracts as it is to the scholar seeking source material on today s trends in international private and commercial law collection of icc arbitral awards ctaa vol 2
