How to Become Spiritual Without Being Religious 2013 recent studies in america has shown that there is a growing trend of non believers who have given up on organized religion because their spiritual needs are not being met ken reiners book now provides a guide for those non believers who still want to grow spiritually he makes a clear and concise differentiation between organized religion and spirituality in this book ken identifies eight essential spiritual needs for becoming spiritually whole he shares his personal spiritual struggle of letting go of the distorted religious beliefs imposed on him by his parents and other religious teachers discarding of these negative beliefs imposed on him by others and replacing them with positive ones has enabled ken to become more spiritually whole this book not only provides helpful insights for non believers but for anyone who is seeking spiritual wholeness

[illegible]

□□□□ 2013-05-10 this book is to help the understanding that spirituality is about being connected to help recognise spirituality in your life to get connected to the world around you this book hopes to show that spirituality is something that everyone has everyone shares and everyone can experience in a beneficial way it is about exploring spirituality and what it can mean to you this is about leading a happier life this is not a book to make you subscribe to anything sign up to anything worship anything or give money to anything the cost of this book excluded this is not an attack on religion or faith this is not about telling you that you are living your life wrong we each have to come at our own spirituality from within ourselves it will come to mean different things to each of us and that's ok an open mind and some time and space to think that's all you need to explore your spirituality spirituality without the bs was written in response to many other books that for whatever reason seek to add layers of mystery and confusion about spirituality we are at heart all simple beings and our spirituality can be understood in simple terms

Spirituality Without The BS 2021-05-02 spirituality is a feeling of universality a knowledge of being a part of nature rather than apart from nature we have five recognized senses that are physical in nature we also have another internal sense that everyone recognizes and that is the feeling of spirit

Spirituality Without Religion 2016-09-01 in its most general sense the term spiritual but not religious denotes those who on the one hand are disillusioned with traditional institutional religion and on the other hand feel that those same traditions contain deep wisdom about the human condition this edited collection speaks to what national surveys agree is a growing social phenomenon referred to as the spiritual but not religious movement sbnrm each essay of the volume engages the past present and future of the sbnrm their collective contribution is analytic descriptive and prescriptive taking stock of not only the various analyses of the sbnrm to date but also the establishment of a new ground upon which the continued academic discussion can take place this volume is a watershed in the growing academic and public interest in the sbnrm as such it will vital reading for any academic involved in religious studies spirituality and sociology

Book 1 2012-05-06 do you question the beliefs of the religion in which you were raised are you spiritual but not religious are you investigating the role of religion and spirituality in your life if you answered yes to any of these questions then you are a seeker and this book is designed to help you find your way faith without labels a guide to eclectic spirituality is a self help book and workbook designed to introduce seekers to eclectic spirituality a highly individualized spiritual belief system composed of selected elements drawn from various doctrines and to provide clear instructions on how to customize and follow this path faith without labels a guide to eclectic spirituality is the fruit of a lifetime of spiritual inquiry study and practice from mainstream christianity to past life memories the occult wicca and buddhism the author's intimate opening spiritual memoir makes for compelling reading and encourages readers to examine their own beliefs then faith without labels a guide to eclectic spirituality gives them the means to do that through a comprehensive workbook designed to help them analyze what they believe what works for them and what doesn't identify gaps and finally create a roadmap to their own authentic eclectic spiritual path faith without labels a guide to eclectic spirituality is geared towards seekers who may currently identify as spiritual but not religious sbnr as well as adults who are investigating spirituality in earnest for the first time in a 2012 survey conducted by the pew religion and public life project 7 of americans said that they were spiritual but not religious and according to the same research nearly one in five adults under age 30 18 say they were raised in a religion but are now unaffiliated with any particular faith since eclectic spirituality has no established doctrine faith without labels a guide to eclectic

spirituality will appeal both to sbnrs who reject organized religion and to adults who are seeking a spiritual practice that meets their unique needs

Being Spiritual but Not Religious 2018-05-30 one does not have to believe in the god of organized religion to experience spirituality the feeling of awe for the earth and its environments is programmed into all of us through evolution we can enhance this feeling of awe by following a path to spirituality which is final enlightenment and understanding through spirituality we can achieve peace within ourselves as we come to realize where we are and our relationship to the things of earth how we got here and where we are going are other matters these are in a state of conjecture but the concepts of where we are and our relationships can be achieved through spirituality once we reach an understanding of spirituality we can harness its energy to make our lives more pleasant and peaceful

Faith Without Labels 2019-02-21 when former evangelical minister tim sledge walked away from five decades of faith more than 10 years ago he made a clean break no more church prayer religion or god but there was one thing that surprised him he still wanted to be spiritual looking beyond traditional christian views of spirituality he found no spiritual but not religious model that worked for him including the mindset of connecting with the energy of the universe eventually sledge decided to redefine spirituality for himself and to use the term meta spirituality to identify his personal approach as beyond any conventional concept of spirituality his vision of meta spirituality touches that part of us that seeks inspiration yearns for the highest and best in life and longs for a connection to something noble and wondrous this is spirituality without god or magic without religion or faith and with no need of an invisible spirit world it is a call to kindness listening vulnerability compassion and gratitude a quest for a growing sensitivity to the world of emotions and a challenge to let mistakes lead to growth instead of shame the book's 26 chapters are organized around five topics how to be spiritual without god how to see reality how to live with meaning how to keep moving forward how to practice meta spirituality a meta spiritual handbook is a simple guide to seeing spirituality in a new way and a challenge to find your best self without reference to religion faith or god

Spirituality Without Religion 2013-04-01 named a best spiritual book of the year by spirituality practice the last twenty years have seen a dramatic increase in nones people who do not claim any religious affiliation these nones now outnumber even the largest protestant denominations in america they are not to be confused with secularists however for many of them identify themselves as spiritual but not religious sbnr the response to this dramatic change in american religion has been amazingly mixed while social scientists have been busy counting and categorizing them the public has swung between derision and adulation some complain nones are simply shallow dilettantes narcissistically concerned with their own inner world others hail them as spiritual giants and ground breaking pioneers rarely however have these nones been asked to explain their own views beliefs and experiences in belief without borders theologian and one time sbnr linda mercadante finally gives these individuals a chance to speak for themselves this volume is the result of extensive observation and nearly 100 in depth interviews with sbnrs across the united states mercadante presents sbnrs stories shows how they analyze their spiritual journeys and explains why they reject the claims of organized religion surprisingly however mercadante finds these sbnrs within as well as outside the church she reveals the unexpected emerging latent theology within this group including the interviewees creative concepts of divine transcendence life after death human nature and community the conclusions she draws are startling despite the fact that sbnrs routinely discount the creeds and doctrines of organized religion many have devised a structured set of beliefs often purposefully in opposition to doctrines associated with christianity belief without borders is a captivating exploration of a

growing belief system certain to transform the spiritual character of america

A Meta-Spiritual Handbook 2018-04-15 guidelines to spiritual enlightenment sustainable emotional equanimity and fulfillment of their own human potential with a radical departure from traditional religious and spiritual conventions mvller s unique concept of spiritual humanism brings the spiritual quest back into the human realm

Belief without Borders 2014-02-05 waking up a guide to spirituality without religion 2014 by neuroscientist and atheist sam harris explores how to develop a spiritual practice that is not based on outmoded religious beliefs about how the world works harris draws upon personal experience neuroscience psychology and buddhist conceptions of the mind to explore the nature of consciousness and how it is possible to embrace spirituality and remain secular purchase this in depth summary to learn more

Spirituality Without God 2005 the decline and fall of old time religion is finally a reality in the us according to research the number of americans who don t affiliate with a particular religion has grown to 56 million nones are the second largest faith group in the us there is a new emerging consciousness of spirituality it is sometimes described as a search for the sacred the substance of one s inner journey to the source from which all things come the tired and worn mantra of traditional protestant fundamentalist and roman catholic christian theology called sin and salvation theology has served the goals of power and control for the church for centuries it was a favorite tool of both political and ecclesiastical groups religions have used dogma and authoritarian notions like these to control and maintain power over human behavior if you have bought into the regressive and punitive lair of this paradigm you are in the clutches of an unhealthy religion the field of psychology provides you with a positive and healthy means of escape from the controlling destructive concepts of a failed theology and the fraudulent psychology of mankind the new paradigm of healthy religion shatters the shackles of the old time and present day religious hucksters this new path and new paradigm will provide you with a breath of fresh air that is long overdue

Summary of Sam Harris's Waking Up by Swift Reads 2019-06-28 a compelling exploration of the emerging secular spirituality what is faith it is not something we must receive from a religion nor is it a quality we must abandon in order to be rational faith is not the same as belief writes bestselling author roger housden a nonreligious faith allows us to live with uncertainty change and mortality to embrace life in all its sublime beauty for the many who self identify as spiritual but not religious housden s book keeping the faith without a religion offers us a way to embrace the extraordinary mystery of our lives without resorting to blind dogmatism or nihilistic scientism he invites us to investigate faith and belief how our hunger for certainty and easy answers impedes the growth of a mature spirituality guidance for building a personal faith based on your own inner experience how faith in life s uncertainty can lift us through hard times even when we know there are no guarantees love joy and beauty what these experiences can teach us about the intelligence of the universe today many of us seek a new approach to spirituality that honors both the rational and the mystical in equal measure with keeping the faith without a religion roger housden offers a guidebook for free thinking seekers an inspiring call to step beyond the need for one absolute truth and trust ourselves to the unfolding of our singular extraordinary life

Spirituality Without Sin and Salvation 2024-03-15 00 0000 0000000 0 00 00 0000000000 00 0000000000000000q a

Keeping the Faith Without a Religion 2014-03-01 for everyone seeking something greater than organized religion spirituality without religion is a guide towards spiritual enlightenment and away from religious dogma it s time to realize that true spirituality is a personal journey that begins deep within oneself in the words of osho truth is not to be found outside no teacher no scripture can give it to you it is inside you and if you wish to attain it seek your own company be with yourself learn from the examples of

spiritual teachers that came before you but know that you must discover and live by your internal truths

Spirituality Without Religion 2005-04 a wonderfully significant and important book ken wilber the integral vision a timely and penetrating analysis of spirituality s shadow stephen batchelor buddhism without beliefs a spiritual teacher and integral psychotherapist offers a first of its kind study on how we use and abuse spiritual beliefs and practices revealing how to identify and move beyond what holds us back from living life fully spiritual bypassing the use of spiritual beliefs to avoid dealing with painful feelings unresolved wounds and developmental needs is so pervasive that it goes largely unnoticed the spiritual ideals of any tradition whether christian commandments or buddhist precepts can provide easy justification for practitioners to duck uncomfortable feelings in favor of more seemingly enlightened activity when split off from fundamental psychological needs such actions often do much more harm than good while other authors have touched on the subject this is the first book fully devoted to spiritual bypassing in the lineage of chögyam trungpa s landmark cutting through spiritual materialism spiritual bypassing provides an in depth look at the unresolved or ignored psychological issues often masked as spirituality including self judgment excessive niceness and emotional dissociation a longtime psychotherapist with an engaging writing style masters furthers the body of psychological insight into how we use and abuse religion in often unconscious ways this book will hold particular appeal for those who grew up with an unstructured new age spirituality now looking for a more mature spiritual practice and for anyone seeking increased self awareness and a more robust relationship with themselves and others

□□□□□□□□□□□□□□□□ 2002-06 finally a book about meditation and meaning in life that is based on reason not religious or supernatural explanations provocative and truly inspirational one of the best books i ve ever read rachel patel we think we perceive reality but we live in our minds in self created realities hypnotized by our conditioning and habitual ways of thinking i am sure seekers will find much to support their efforts to awaken in this book jack elias atheist meditation atheist spirituality is a guide and memoir which shows that spirituality and meditation can be practiced without faith in god s gurus or the supernatural techniques such as mindfulness and vipassana meditation have been practiced for thousands of years are corroborated by reason psychology and neuroscience and help develop a sense of compassion charity and the pursuit of meaning and knowledge these secular practices are consistent with the best science available and are perfect for atheists skeptics humanists freethinkers as well as all others who wish to practice spirituality without religion or reference to supernatural forces this is the complete version of the book contains 214 pages note the difference between atheist meditation atheist spirituality and exploring your life is that exploring your life is an expanded edition and it s intended for a general audience while atheist meditation begins with a special message to the atheist community

Spirituality Without Religion 2015-07-10 a meaningful approach to spirituality and its universal presence enlightening those who question traditional religious systems as inadequate descriptions of the spiritual journey

Spiritual Bypassing 2010-09-07 spirituality is not about spirits spirituality is a practice it is the way we feed and groom that natural spirit we call the self aware human consciousness it is the way we relate to the world around us if you have recently joined the growing ranks of nonbelievers you have left a world defined by the religion of your culture what do you leave behind when you abandon religion is atheism and agnosticism a spiritual dead end how do you find meaning morality and spiritual satisfaction in a world without god religion has been around as long as it has because it serves a real purpose fulfilling real needs regardless of the truth of the beliefs

as we take on a more scientific worldview we tend to ignore those needs until we find ourselves in an existential crisis going godless takes a look at spirituality redefined within the material world around us the world we know exists whether you are atheist agnostic deist or simply don't subscribe to any existing religion you are faced with going through life without a rule book handed down by god going godless draws from the author's thirty years as an atheist in a theistic world to provide an important perspective on the human experience

Atheist Meditation Atheist Spirituality 2015-07-14 this is a self awareness book this is not a book to make you subscribe to anything sign up to anything worship anything or give money to anything the cost of this book excluded this is not an attack on religion or faith this is not about telling you that you are living your life wrong this is about recognising spirituality in your life this book hopes to show that spirituality is something that everyone has everyone shares and everyone can experience in a beneficial way it is about exploring spirituality and what it can mean to you this is about leading a happier life we each have to come at our own spirituality from within ourselves it will come to mean different things to each of us and that's ok an open mind a positive attitude and some time and space to think that's all you need to explore your spirituality

Growing Spiritually 2009-08-10 what would you say some people say i am spiritual but not religious others say i am religious and my spirituality is based on my religion and a few say my religion is my spirituality then there are those who say religion is spiritual and you can't be spiritual without religion and a very few say they cannot be compared as both are the same phew so there is an obvious mixing of the two ideas that's why untangling them can only happen in one's own consciousness when there is clarity about each mike sets out to help you discern the difference between religion and spirituality but in a way that engages you to see for your self in 101 areas of comparison he articulates both the substantial and the subtle differences with simplicity and wisdom why is it important in his words right now religion still dominates our world for many it provides a comfortable set of beliefs by which to live but if you want to prepare your self for what is to come if you want to be ready willing and able to face the challenges ahead you will need to cultivate your spirituality and that for many is not so comfortable

Going Godless: Rediscovering Spirituality in a Material World 2009-11 the only meaningful spiritual journey is the one you consciously undertake

Spirituality Without the Bs: Exploring Your Spirituality in the Everyday 2017-08-25 essential spirituality beautifully articulates the benefits of spiritual living in the material world dan millman author everyday enlightenment and the way of the peaceful warrior deceptively simple its power is rooted not only in dr walsh's formidable intellectual capacity to deal effectively with a vast body of religious literature but in his own deep spiritual practices in a multitude of disciplines over many years an important contribution ram Dass author be here now an absolute masterpiece essential spirituality is helpful to both the unseasoned and seasoned seeker the writing is deep simple and clear yet at the same time poetic and musical a must read gerald g jampolsky m d author love is letting go of fear energetic engaged and occasionally electrifying the field of spiritual books has been looking for its own lewis thomas or carl sagan and i believe roger walsh may be that one ken wilber author one taste and a brief history of everything based on over twenty years of research and spiritual practice this is a groundbreaking and life changing book in his decades of study dr roger walsh has discovered that each of the great spiritual traditions has both a common goal and seven common practices to reach that goal recognizing the sacred and divine that exist both within and around us filled with stories exercises meditations myths prayers and practical advice essential spirituality shows how you can integrate these seven

principles into one truly rewarding way of life in which kindness love joy peace vision wisdom and generosity become an ever growing part of everything you do

Untangling Religion from Spirituality 2021 a holistic spiritual practitioner shares tips on how to evolve from traditional religious teachings to a spirituality that reflects your true beliefs millions of people today experience guilt shame anger anxiety depression or similarly disempowering emotions as a result of their indoctrination into organized religion more individuals are leaving the faith they were born into and identifying themselves as spiritual rather than religious my spirit is not religious a guide to living your authentic life will help you eliminate emotional obstacles while providing guidelines for living a heartfelt spiritual life via lessons delivered from personal experiences tina sacchi s as well as those of her many clients and students the intention is not to dismiss all organized religions but to guide those for whom they no longer work and laying the groundwork for overcoming guilt shame loneliness blame anxiety sadness disappointment and confusion whether you have a background in religion or not this book will guide you to living your authentic life i highly recommend tina s book to everyone that breathes and thinks tina s book opened my eyes and my soul to areas i had thought i had clarity around my faith wise women read Spirituality Without Structure 2013 do you wish you had inner peace and happiness would you love to feel the power of the universe coursing through you whether you want to 1 feel at peace and happy with your life 2 grow spiritually or 3 learn the world s best ways to nourish your mind body and spirit then this is the book for you do you long to connect with your own spirituality spirituality doesn t have to be a mystery in this exciting spiritual journey you will discover how to achieve inner peace and live a harmonious and happy life imagine how much better life will be when you are kinder more likable more loving and more inspirational learn to how to become self aware and self accepting discover how to respond to difficulties the right way without losing your cool enjoy life as you grow spiritually and are more divinely connected with all that is around you enhance your self awareness we live in a culture that does not encourage spirituality self awareness is easily squelched in favor of production and performance in such an environment it requires initiative and conscious development for our self awareness to flourish and extend the strength of our spirituality that is why i have included valuable and practical exercises designed to boost your self awareness cleanse the body mind and soul and help you reach your true full potential learn to live from your heart spiritual awareness involves self acceptance and living in the present it requires living from the heart more than living from your head this is largely counter intuitive to western thinking so to facilitate heart based living i have provided a variety of tips and activities including prayer meditation and much more so you can receive healing of past inner wounds and learn to live from your heart learn to respect your past two extremes obsessing on the past or ignoring it do not offer any true solution the spiritual solution may surprise you it involves bringing gratefulness to bear on your past experiences gratefulness nurtures your spirit and lays the groundwork for forgiveness even as it enables you to open yourself to your future with joy trust and confidence learn how you can navigate these with easy to use exercises and mental activities that can advance you along further towards your path of enlightenment what will you learn about spirituality the driving forces that will propel you to spiritual success easy ways to incorporate spirituality into your life the importance of living in the now and being fully present in the moment how to harness the healing powers of forgiveness and gratitude mental strategies for enhancing your spirituality and freeing your creative mind you will also discover how to overcome your fears and limiting beliefs how to be more compassionate and loving to others and to yourself how to strengthen your spirit so you can face whatever life brings how to become fully self aware and spiritually powerful discover what it is like to truly live nourish your

Essential Spirituality 1999-09-10 winner of the 2015 international book awards new age non fiction category finalist in the 10th annual national indie excellence awards for new age non fiction category fed up with living life as an opinion of someone else throughout this book readers will discover themselves or at least what or who they aren't there's no point in having spiritual answers if we can't stand ourselves as we layer most things into our guilt and shame cycle which we seem to like so much self hatred is evident in many of us from overeating to starvation seeking and never finding that true love leaving a trail of broken lives our own included shows us we are really seeking ourselves never really knowing why that would be we ventured into the heart of the matter literally self love where is it what is it and how come we don't have it the reader is invited to discover how to reveal the power of love within and share it with others by the world's foremost authority god the dialogue between god and the book's authors provides insights into some of life's biggest questions and the human condition not just on a personal level but also on a global scale through these inspiring messages this book exposes spiritual truths while providing solutions that can be incorporated into the daily practice of everyday living to bring a greater sense of peace and awareness to the reader for more information please visit our website kissandtellproductions.com front cover photo by jeanette bishop isle of skye scotland back cover photo by helen varga cranberry creek gardens lynesdoch ontario canada blueink review while the authors basic premise direct communication with a supreme being may not be palatable to everyone their suggestions could offer a way back into spirituality for sincere seekers foreword clarion reviews bishop and varga have created a jovial and generous guidebook for self care the book's largest sections which focus on loving oneself and healing via that love offer a blueprint for this reorientation trading between practical advice and recalled meditative conversations with the spirit the authors act as creative spiritual gurus kirkus indie review there are sound pieces of advice to be gleaned from these pages even by readers with different beliefs

My Spirit Is Not Religious 2013-03-01 millions of adoring fans view oprah as a long term friend and trusted spiritual mentor but some find themselves troubled by a genre of spirituality that seems out of step with traditional religion oprah's jesus clears up some of the confusion by inviting oprah's spiritual mentors to clarify how closely their beliefs align with traditional christianity back cover

Spirituality 2016-08-20 the rebirth of the clinic begins with a bold assertion the doctor patient relationship is sick fortunately as this engrossing book demonstrates the damage is not irreparable today patients voice their desires to be seen not just as bodies but as whole people though not willing to give up scientific progress and all it has to offer they sense the need for more patients want a form of medicine that can heal them in body and soul this movement is reflected in medical school curricula in which courses in spirituality and health care are taught alongside anatomy and physiology but how can health care workers translate these concepts into practice how can they strike an appropriate balance integrating and affirming spirituality without abandoning centuries of science or unwittingly adopting pseudoscience physician and philosopher daniel sulmasy is uniquely qualified to guide readers through this terrain at the outset of this accessible engaging volume he explores the nature of illness and healing focusing on health care's rich history as a spiritual practice and on the human dignity of the patient combining sound theological reflection with doses of healthy skepticism he goes on to describe empirical research on the effects of spirituality on health including scientific studies of the healing power of prayer emphasizing that there are reasons beyond even promising research data to attend to the souls of patients finally sulmasy devotes special attention and compassion to the care of people at the end of life incorporating the stories of several of his patients throughout the

author never strays from the theme that for physicians attending to the spiritual needs of patients should not be a moral option but a moral obligation this book is an essential resource for scholars and students of medicine and medical ethics and especially medical students and health care professionals

[illegible]

Oprah's Jesus 2010-01-01 purposefully embracing irreverence and the notion of relativity this book considers the contemporary cultural predicament and examines possibilities for a thoughtful spiritual life without dogmatism magic denial or delusion

The Rebirth of the Clinic 2006-05-19 there is a part of each of us that is a monk or a mystic we yearn for perfect peace yet live our lives far removed from traditional monasteries yet most of us would not want to give up our personal and spiritual freedom to join monastic life we seek wholeness but realize that wholeness is not possible without sacredness sacred life takes root in solitude in the time we take to develop a relationship with our inner life in the kind of setting a monastery would offer this book speaks to the monk or mystic within us it affirms our place in the sacred silence of solitude and inner reflection showing how even everyday life is filled with opportunities to live fully in the world as if it were a holy monastery here we learn to live within the limits as well as the spirit of everyday life how to appreciate our most human self as the path to explore the divine here we encounter a world that is clearly available to us a world filled with nothing less than the gift of sacred silence within the monastery without walls

Spirituality for Badasses 2021-01-21 secular spirituality is about the search for a spirituality without god the supernatural or an afterlife what are the options for a person who no longer believes in god and can't buy into new age superstition this book explores your options in this collected works dr forrest takes you on a journey through secular buddhism 2011 2014 atheistic humanism 2014 2015 spiritual naturalism 2015 2017 and finally to bodhidaoism 2017 2019 which is his own creation dr forrest believes that all worldviews and religions of the past have failed or are failing the time has come for a careful synthesis of the best insights of the world's wisdom traditions with the current understandings of science psychology and philosophy bodhidaoism is just such an attempted synthesis recommendations there is much highly refined wisdom here and much to be learned about possibilities for one's own spiritual prospects and aspirations the journey with jay can be both inspirational and enjoyable donald a crosby professor of philosophy emeritus colorado state university secular spirituality by jay nelson forrest is a compendium of wisdom about living the inner life without supernaturalism that provides a way forward to awakening i learned a lot from this book rick heller freelance journalist author of secular meditation i enjoyed it i think there are people who will really like it jennifer hancock author of the humanist approach to happiness it's an underexplored area richard carrier professional historian and author of on the historicity of jesus jay forrest shares deeply of his journey through an eclectic landscape of religious beliefs what has been problematic and what he's found most useful in daily life the reader is saved the complexities and stumbles of that dizzying array of views by jay's clear unabashed and candid reflections allowing a graceful landing on an understanding of the value of secular life and spirituality ted meissner the executive director of the secular buddhist association contents forward by donald a crosby preface from christ to buddha part 1 secular buddhism religious naturalism essay humanism god and the bible part 1 from christ to buddha part 2 humanism god and the bible part 2 from christ to buddha part 3 spiritual naturalism spiritual naturalist articles spirituality without god website blog new material appendix an introduction to bodhidaoism this only gives you the sections there are 90 chapters in all

□□□□□□□□□□ 2014-11-30 begin your spiritual journey and self discovery but without the usual religious doctrines that surround christianity go at your own pace and find yourself with this positive approach to christianity would you consider yourself spiritual but not necessarily religious do you want to connect with a higher power but without being barred by religious dogma and doctrines there are many people that are hesitant to pursue their spiritual journey because of the strict religious doctrines surrounding christianity that don t coincide with their personal views but what if i told you that you can still connect with a higher power and achieve inner peace through spirituality without the strict rules in this book you ll find a refreshing new and positive approach to religion and christianity that aims to inspire you to find the truth and set yourself free in this book you ll discover a new perspective all you need to do is open your mind and by the end of this book you ll discover a brand new and refreshing outlook on religion and life for anyone you don t have to be religious or even believe in god to benefit from the valuable lessons in this book inner peace discover yourself achieve your dreams and connect with a higher power be surrounded by the teachings of jesus and be guided into a brighter and better life be guided by the master teacher jesus christ and coach michael taylor and see that there s so much more to spirituality than doctrines set yourself free
