~~*Nicolet National Forest (N.F.), Oconto River Seed Orchard Pest*~~

## *Management Plan, Oconto County 1997*

the definitive guide for public health professionals fighting the opioid epidemic the opioid crisis has devastated families and communities across the united states changes in policing and medical practices have been swift but they ve achieved only a modest impact on the fundamental causes of substance misuse and addiction the necessity for upstream intervention is clear but what does that look like a public health guide to ending the opioid

epidemic does what only a public health approach can offer credible scalable and empirically supported approaches to uprooting one of society s most pernicious challenges it systemizes the core tenets of the public health approach to substance misuse and addiction with alongside clinical approaches prescription guidelines and monitoring increased access to

4 books stink series stink the incredible shrinking kid stink and the worlds worst super stinky sneakers stink and overdosing on medication and medication-assisted treatment availability offers a roadmap

for end to end response to this diverse problem core elements of the public health approach all covered here in practical terms include how to support community based primary prevention of substance misuse and addiction in different settings and populations how to effectively address the cultural social and environmental aspects of health that are driving the current epidemic how governmental public health agencies play a significant role in responding to the epidemic both in the field s traditional model of disease surveillance and control and in more directed approaches to health promotion building community resilience addressing the impact of adverse childhood events mitigating the root causes of addiction

these frameworks offer a foundation for understanding analyzing and meaningfully impacting the burden of opioid misuse and addiction in any population or setting a public health guide to ending the opioid epidemic is a roadmap for meaningful change
