2017-03-28

kristen block examines the entangled histories of spain and england in the caribbean during the long seventeenth century focusing on colonialism's two main goals the search for profit and the call to christian dominance using the stories of ordinary people block illustrates how engaging with the powerful rhetoric and rituals of christianity was central to survival isobel criolla was a runaway slave in cartagena who successfully lobbied the spanish governor not to return her to an abusive mistress nicolas burundel was a french calvinist who served as henchman to the spanish governor of jamaica before his arrest by the inquisition for heresy henry whistler was an english sailor sent to the caribbean under oliver cromwell's plan for holy war against catholic spain yaff and nell were slaves who served a quaker plantation owner lewis morris in barbados seen from their on the ground perspective the development of

modern capitalism race and christianity emerges as a story of negotiation contingency humanity and the quest for community ordinary lives in the early caribbean works in both a comparative and an integrative atlantic world frame drawing on archival sources from spain england barbados colombia and the united states it pushes the boundaries of how historians read silences in the archive asking difficult questions about how self censorship anxiety and shame have shaped the historical record the book also encourages readers to expand their concept of religious history beyond a focus on theology ideals and pious exemplars to examine the communal efforts of pirates smugglers slaves and adventurers who together shaped the caribbean s emerging moral economy

1944-10-16

The long-awaited follow-up to the fabulous, addictive Chicago Sun-Times New York Times bestseller *Diana's Boys* explores the last twenty years in the lives of Princes William and Harry and the evolution of their relationship as adults. With one brother the designated heir and the other doomed to life as the spare, perfect for fans of Netflix's *The Crown*, *Diana's Boys* revealed the powerful bond between the teenaged princes and how it strengthened even more in the wake of their mother's tragic death. Now twenty years later, Queen Elizabeth II is in her mid-nineties, Prince Charles is in his seventies, and all eyes are turned increasingly toward William and Harry. Again, Christopher Andersen picks up where he left off, covering everything that has happened to the brothers as they have grown up, gotten married to two remarkable women, and had children, all while facing continual waves of controversy and questions about the ways their relationship has shifted. Andersen examines how the Queen's behind-the-scenes maneuvering to mold her grandsons in the Windsor image after Diana's death and her expectations of William as the future king played out. He questions whether the brothers' famously close relationship can survive Harry's departure from the royal family. The first time this has happened since their great-great-uncle King Edward abdicated the throne to marry a divorcée, he delves into the impact sisters-in-law Kate and Meghan have had on each other as well as on their princes, and how marriage and fatherhood have changed the brothers, and in some ways also driven a wedge between them. Andersen also looks with an honest eye at how the princes and their wives have been continuously buffeted by scandal, including headline-making allegations of bullying, racism, betrayal, and emotional abuse that has pushed more than one royal to the brink of self-destruction. Based on in-depth research and with his fascinating and insightful *The Christian Science Monitor* writing, Andersen

leaves no stone unturned in this intimate and riveting look into the private lives of the world s most famous princes

from the author of the last mughal a compulsively readable masterpiece the new york review of books an exquisite mesmerizing book that illuminates the remarkable ways in which traditional forms of religious life in india have been transformed in the vortex of the region's rapid change a book that distills the author's twenty five years of travel in india taking us deep into ways of life that we might otherwise never have known exist a buddhist monk takes up arms to resist the chinese invasion of tibet and spends the rest of his life atoning for the violence by hand printing the finest prayer flags in india a jain nun tests her powers of detachment as she watches her closest friend ritually starve herself to death a woman leaves her middle class life in calcutta and finds unexpected fulfillment living as a tantric in an isolated skull filled cremation ground a prison warder from kerala is worshipped as an incarnate deity for three months of every year an idol carver the twenty third in a long line of sculptors must reconcile himself to his son's desire to study computer engineering an illiterate goatherd from rajasthan keeps alive in his memory an ancient four thousand stanza sacred epic a temple prostitute who initially resisted her own initiation into sex work pushes both her daughters into a trade she nonetheless regards as a sacred calling william dalrymple chronicles these lives with expansive insight and a spellbinding evocation of circumstance and while the stories reveal the vigorous resilience of individuals in the face

of the relentless onslaught of modernity they reveal as well the continuity of ancient traditions that endure to this day a dazzling travelogue of both place and spirit
