Characterization and Inheritance of a Mutation (grey-loco, G-lo) in the Chukar Partridge (Alectoris Graeca Chukar). 1969

walter is a gifted young singer who leaves his home in the forests of germany in a quest for fame and love he embarks on a series of adventures which leads him through the haunting landscapes of twelfth century europe his encounter with the mysterious brotherhood of watchers drives him to the crusades into a clash with the doge in venice and on to the disaster of constantinople but there is more to walter than he

dares imagine what are the dark forces controlling him and those he loves the story is wrenched into the present where a sinister oxford don dies in mysterious circumstances leaving an occult manuscript based on walter to his assistant ian with certain instructions as ian seeks to unravel these and his own life and love begin to weave into walter s to whom he bears a striking resemblance the novel s secrets deepen this is a powerful and compelling tale about personal and political catastrophe and the individual s resilience in a time of uncertainty and danger it is also a daring and brilliant contemplation of the middle ages and its continuing importance walter s work it appears is not finished nor what he learnt nor is his music lost forever
