the emergence of latin american firebrands who champion the cause of the impoverished and rail against the evils of neoliberalism and yankee imperialism hugo Chávez in venezuela evo morales in bolivia Néstor kirchner in argentina andrés manuel lópez obrador in mexico has changed the landscape of the americas in dramatic ways this is the first biography to appear in english about one of these charismatic figures who is known in his country by his adopted nickname of little ray of hope the book follows lópez obrador s life from his early years in the flyspecked state of tabasco his university studies and the years that he lived among the impoverished chontal indians even as he showed an increasingly messianic élan to uplift the downtrodden he confronted the muscular institutional revolutionary party in running twice for governor of his home state and helping found the leftist nationalist democratic revolutionary party prd as the prd s national president he escalated his political and ideological warfare against his former president carlos salinas and other conspirators determined to link mexico to the global economy at the expense of the poor his strident advocacy of the have nots lifted lópez obrador to the mayorship of mexico city which he rechristened the city

of hope its ubiquitous crime traffic pollution and housing problems have made the capital a tomb for most politicians not for lópez obrador through splashy public works monthly stipends to senior citizens huge marches and a dawn to dusk work schedule he converted the position into a trampoline to the presidency although he lost the official count by an eyelash the hard charging tabascan cried fraud took the oath as the nation s legitimate president and barnstormed the country excoriating the fascist policies of president felipe calderón and preparing to redeem the destitute in the 2012 presidential contest grayson views lópez obrador as quite different from populists like Chávez morales and kirchner and argues that he is a secular messiah who lives humbly honors prophets gathers apostles declares himself indestructible relishes playing the role of victim and preaches a doctrine of salvation by returning to the values of the 1917 constitution fairness for workers indians rights fervent nationalism and anti imperialism

a history of infamy explores the broken nexus between crime justice and truth in mid twentieth century mexico faced with the violence and impunity that defined politics policing and the judicial system in post revolutionary times

mexicans sought truth and justice outside state institutions during this period criminal news and crime fiction flourished civil society s search for truth and justice led paradoxically to the normalization of extrajudicial violence and neglect of the rights of victims as pablo piccato demonstrates ordinary people in mexico have made crime and punishment central concerns of the public sphere during the last century and in doing so have shaped crime and violence in our times
