www.wikipedia Sep 24 2022

Corporate finance is the area of finance concerned with the financial management of a corporation. It involves the management of the firm's financial resources, including the raising of capital, the investment of funds, and the management of risk. The primary goal of corporate finance is to maximize the firm's value, which is typically measured by its stock price. Corporate finance is a key component of the firm's overall strategy and is closely linked to its operations and management.
