Modern Family Law 2020-02-02 gayle v fischer has produced a terrifically useful volume that no research library should be without the journal of american history an indispensable resource to finding material on women s history throughout the world journal of world history the work is recommended for its currency depth of coverage and scope ethnic forum as part of its mission to disseminate feminist scholarship and serve as the journal of record for the new area of women s history the journal of women s history began a compilation of periodical literature dealing with women s history this volume is drawn from more than 750 journals and includes material published from 1980 through 1990 there are forty subject categories and numerous subcategories the guide lists more than 5 500 articles all are extensively cross listed

Journal of Women's History Guide to Periodical Literature 1992 harlem renaissance writer dorothy west led a charmed life in many respects born into a distinguished boston family she appeared in gershwin s porgy and bess then lived in the soviet union with a group that included langston hughes to whom she proposed marriage she later became friends with jacqueline kennedy onassis who encouraged her to finish her second novel the wedding which became the octogenarian author s first bestseller literary sisters reveals a different side of west s personal and professional lives her struggles for

recognition outside of the traditional literary establishment and her collaborations with talented african american women writers artists and performers who faced these same problems west and her literary sisters women like zora neale hurston and west s cousin poet helene johnson created an emotional support network that also aided in promoting publishing and performing their respective works integrating rare photos letters and archival materials from west s life literary sisters is not only a groundbreaking biography of an increasingly important author but also a vivid portrait of a pivotal moment for african american women in the arts Literary Sisters 2011-10-18 this working space is a measure of the claim that the artist makes upon the world jacket

A Studio of One's Own 2005 looking out a second story window of her family s quarters at the pearl harbor naval base on december 7 1941 eleven year old jackie smith could see not only the rising sun insignias on the wings of attacking japanese bombers but the faces of the pilots inside most american children on the home front during the second world war saw the enemy only in newsreels and the pages of life magazine but from pearl harbor on the war with its blackouts air raids and government rationing became a dramatic presence in all of their lives thirty million americans relocated 3 700 000 homemakers entered the labor force sparking a national debate over working mothers and latchkey children and millions of enlisted fathers and older brothers suddenly disappeared overseas or to far off army bases by the end of

the war 180 000 american children had lost their fathers in daddy s gone to war william m tuttle jr offers a fascinating and often poignant exploration of wartime america and one of generation s odyssey from childhood to middle age the voices of the home front children are vividly present in excerpts from the 2 500 letters tuttle solicited from men and women across the country who are now in their fifties and sixties from scrap collection drives and saturday matinees to the atomic bomb and v j day here is the second world war through the eyes of america s children women relive the frustration of always having to play nurses in neighborhood war games and men remember being both afraid and eager to grow up and go to war themselves not all were willing to wait tuttle tells of one twelve year old boy who strode into an arizona recruiting office and declared i don t need my mother s consent i m a midget former home front children recall as though it were yesterday the pain of saying good bye perhaps forever to an enlisting father posted overseas and the sometimes equally unsettling experience of a long absent father s return a pioneering effort to reinvent the way we look at history and childhood daddy s gone to war views the experiences of ordinary children through the lens of developmental psychology tuttle argues that the second world war left an indelible imprint on the dreams and nightmares of an american generation not only in childhood but in adulthood as well drawing on his wide ranging research he makes the case that america s wartime belief in democracy and its rightful leadership of the free world as well as its assumptions about

marriage and the family and the need to get ahead remained largely unchallenged until the tumultuous years of the kennedy assassination vietnam and watergate as the hopes and expectations of the home front children changed so did their country s in telling the story of a generation tuttle provides a vital missing piece of american cultural history

Family Practice Guidelines, Fourth Edition 2017-01-20 a dual biography of bachelor politicians james buchanan and william rufus king that analyzes a much discussed intimate friendship in nineteenth century american politics
Catalog of Copyright Entries 1973 nicholas blake qc was appointed on 15th december 2004 to review the circumstances surrounding the deaths of four soldiers at deepcut between 1995 and 2002 the review covers in detail the deaths of three soldiers sean benton cheryl james and geoff gray the fourth death that of james collinson was subject to an outstanding inquest and so was not investigated in detail nor are the inquest results the review also deals with aspects of army policy on recruitment and training over a ten year period and matters relating to the training regiment at deepcut the review has concluded that on the balance of probabilities the deaths of sean benton cheryl james and geoff gray were self inflicted and that the opportunity for self infliction was afforded by the policy of frequently assigning trainees to armed guard duty at deepcut unsupervised by experienced soldiers or members of the military provost guard the review does not feel that a public inquiry into the immediate or broader events surrounding the deaths is necessary sean benton who had attempted self harm on at least two occasions in the months before he died had had disciplinary problems in his army career had been notified that his discharge from the army was being applied for and

had previously been denied access to a weapon on guard duty on the day of his death he obtained the weapon from another trainee under false pretences there was no evidence that cheryl james or geoff gray posed a risk of self harm and no certainty as to what might have led them to their actions they had both performed frequent armed guard duties at remote locations which might have made them unhappy and combined with other personal factors may have made them more susceptible to self harm at the time of their deaths there was no evidence of bullying in any of the three cases factors contributing to the deaths might have been the training environment at deepcut causing low morale through poor accommodation limited recreational facilities and the balance between privacy and dormitory life unsupervised access to weapons supervision of trainees discipline bullying and informal sanctions ventilation of grievances poor instructors the review makes 34 recommendations covering recruitment screening of recruits and parental involvement training for minors and the length of training provisions for minors during training supervisory ratios the quality of instructors information on standards of conduct collective responsibility making and responding to complaints investigating complaints record keeping an ombudsman for the armed forces guard duty sudden deaths disclosure and confidentiality whether there is a need for a public inquiry

Bosom Friends 2019 this volume brings together essays on the structure of language and the use of language during the course of its acquisition pref

The Deepcut Review 2006-03-29 it was november 1806 the explorers had gone without food for one day then two their leader not yet thirty drove on determined to ascend the great mountain waist deep in snow he reluctantly turned back but zebulon pike had not been defeated his name remained on the unclimbed peak and new adventures lay ahead of him and his republic in citizen explorer historian jared orsi provides the first modern biography of this soldier and explorer who rivaled contemporaries meriwether lewis and william clark born in 1779 pike joined the army and served in frontier posts in the ohio river valley before embarking on a series of astonishing expeditions he sought the headwaters of the mississippi and later the sources of the arkansas and red rivers which led him to pike s peak and capture by spanish forces along the way he met aaron burr and general james wilkinson auguste and pierre couteau patriarchs of st louis s most powerful fur trading family who sought to make themselves indispensable to jefferson s administration as well as british fur traders native americans and officers of the spanish empire all of whom resisted the expansion of the united states through pike s life orsi examines how american nationalism thinned as it stretched west from the jeffersonian idealism on the atlantic to a practical materialist sensibility on the frontier surveying and gathering data pike sought to incorporate these distant territories into the republic to overlay the west with the american map grid yet he became increasingly dependent for survival on people who had no attachment to the nation he served he

eventually died in that service in a victorious battle in the war of 1812 written from an environmental perspective rich in cultural and political context citizen explorer is a state of the art biography of a remarkable man Developmental Pragmatics 1979 this engaging and humanizing text traces the development of europe since the mid eighteenth century through the lives of people of the time capturing key moments themes and events in the continent s turbulent modern past the book explores how ordinary europeans both shaped their societies and were affected by larger historical processes by focusing on the lives of individual actors both famous and obscure students can gain a sense for how the well known revolutions wars and social transformations of the modern era were experienced in private homes work places political forums and on battlefields throughout the region fittingly the book opens with the french revolution and concludes with the fall of the berlin wall and the collapse of eastern european communism throughout the contributors use compelling biographies to examine many of the major events and developments in european history including the age of reaction and revolutions in the early nineteenth century industrialization victorianism new imperialism fin de si cle culture the first and second world wars the russian revolution italian fascism nazism the holocaust and decolonization americanization and the 1968 youth revolts contributions by karin breuer helen harden chenut john cox stephen p frank cora granata maura e hametz michael kilburn cheryl a koos robert a mclain karen petrone paolo scrivano alyssa goldstein sepinwall

Chronicle of the Horse 1975-10 this book contains the names and addresses of acquisitions editors at top publishing houses as well as their area of expertise and information on top literary agents first time and experienced authors will find the information they need to get their big break in the writing business instead of having their manuscripts end up in the slush pile

The Rise of Free Trade 1997 new york times notable book los angeles times book prize finalist wall street journal one of five best artist biographies

edward hopper s canvasses are filled with stripped down spaces and unrelenting light evocative landscapes and the lonely aspects of men and women seemingly isolated in their surroundings what kind of man had this haunting vision and what kind of life engendered this art no one is better qualified to answer these questions than art historian gail levin author and curator of the major studies and exhibitions of hopper s work in this intimate biography she reveals the true nature and personality of the man himself and of the woman who shared his life the artist josephine nivison

Canada and the British World 2011-11-01 this book provides the first biographical study of charles pelham villiers 1802 1898 whose long uk parliamentary career spanned numerous government administrations under twenty different prime ministers an aristocrat from a privileged background villiers

was elected to parliament as a radical in 1835 and subsequently served the constituency of wolverhampton for sixty three years until his death in 1898 a staunch liberal free trader throughout his life villiers played a pre eminent role in the anti corn law league as its parliamentary champion introduced an important series of poor law reforms and later split with william gladstone over the issue of irish home rule turning thereafter to liberal unionism hence villiers who remains the longest serving mp in british parliamentary history was intimately involved with many of the great issues of the victorian age in britain

Family Practice Guidelines, Fifth Edition 2020-05-29 this collection of refereed papers celebrates the contributions achievements and progress of female mathematicians mostly in the 20th and 21st centuries emerging from the themed paper session the contributions of women to mathematics 100 years and counting at maa s 2015 mathfest this volume contains a diverse mix of current scholarship and exposition on women and mathematics including biographies histories and cultural discussions the multiplicity of authors also ensures a wide variety of perspectives in inspiring and informative chapters the authors featured in this volume reflect on the accomplishments of women in mathematics showcasing the changes in mathematical culture that resulted as more women obtained tenure track and tenured academic positions received prestigious awards and honors served in leadership roles in professional societies and became more visibly active in the mathematical community

Canadian Family Practice Guidelines 2019-08-15 in the early days of 1937 the ohio river swollen by heavy winter rains began rising and rising and rising by the time the waters crested the ohio and mississippi had climbed to record heights nearly four hundred people had died while a million more had run from their homes the deluge caused more than half a billion dollars of damage at a time when the great depression still battered the nation timed to coincide with the flood s seventy fifth anniversary the thousand year flood is the first comprehensive history of one of the most destructive disasters in

american history david welky first shows how decades of settlement put ohio valley farms and towns at risk and how politicians and planners repeatedly ignored the dangers then he tells the gripping story of the river s inexorable rise residents fled to refugee camps and higher ground towns imposed martial law prisoners rioted red cross nurses endured terrifying conditions and fdr dispatched thousands of relief workers in a landscape fraught with dangers from unmoored gas tanks that became floating bombs to powerful currents of filthy floodwaters that swept away whole towns people hastily raised sandbag barricades piled into overloaded rowboats and marveled at water that stretched as far as the eye could see in the flood s aftermath welky explains new deal reformers utopian dreamers and hard pressed locals restructured not only the flood stricken valleys but also the nation s relationship with its waterways changes that continue to affect life along the rivers to this day a striking narrative of danger and adventure and the mix of heroism and generosity greed and pettiness that always accompany disaster the thousand year flood breathes new life into a fascinating yet little remembered american story

Writer's Guide to Book Editors, Publishers, and Literary Agents, 1997-1998

1996-09-25 this handbook examines key aspects of the development of the global history of warfare and the changing patterns of warfare over time although scholarship has long eschewed a chronological narrative of the evolution of warfare that privileges the western experience global histories

of warfare have had difficulty avoiding an overemphasis on the west the present volume is a collection of themes rather than a history per se it provides important perspectives on the emergence of warfare as a global historical experience from the ancient past to the present day drawing together numerous experts it tells a broader more inclusive story of the global human experience with wars and warfare the 35 chapters are organised in eight thematic parts part i origins of warfare part ii politics and armed forces in the pre modern era part iii steppe nomads of eurasia part iv naval warfare and piracy in the pre industrial world part v the impact of gunpowder part vi transition from industrial to total war part vii wars of decolonisation and cold war part viii postmodern new wars these parts offer an overview of the global experience of warfare to help readers understand how the wars and the militaries we see today have been shaped by historical developments across the globe this handbook will be of great interest to students of military history naval history strategic studies and world history in general

Edward Hopper 2023-01-03 a deeply researched analytically rich and vivid account of england s early maritime empire drawing on a wealth of understudied sources historian eleanor hubbard explores the labor conflicts behind the rise of the english maritime empire freewheeling elizabethan privateering attracted thousands of young men to the sea where they acquired valuable skills and a reputation for ruthlessness peace in 1603 forced these

predatory seamen to adapt to a radically changed world one in which they were expected to risk their lives for merchants gain not plunder merchant trading companies expected sailors to relinquish their unruly ways and to help convince overseas rulers and trading partners that the english were a courteous and trustworthy nation some sailors rebelled becoming pirates and renegades others demanded and often received concessions and shares in new trading opportunities treated gently by a state that was anxious to promote seafaring in order to man the navy these determined sailors helped to keep the sea a viable and attractive trade for englishmen

Charles Pelham Villiers: Aristocratic Victorian Radical 2017-03-16 this volume is a comprehensive collection of critical essays on the taming of the shrew and includes extensive discussions of the play s various printed versions and its theatrical productions aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play the issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality

Women in Mathematics 2017-12-02 over 800 entries examine the facts evidence and leading theories of a variety of unsolved murders robberies kidnappings serial killings disappearances and other crimes
