Progressive Farmer
Field and Stream
The magazine was founded in 1890 by George Perkins Marsh, a conservationist and naturalist. It was one of the first magazines to focus on environmental issues and the outdoors. The magazine was published by the Progressive Farmer Association, which was a group of farmers and conservationists who were concerned about the impact of industrialization on the environment. The magazine was a platform for discussing the importance of conservation and the need to protect the natural world. It was a leading voice for the conservation movement in the early 20th century.
