**BMW M5** 2015-10-26 ~~bmw s m5 was a simple concept a~~  
production 5 series saloon re developed for high performance by the motorsport division the m5 was the car that really initiated the legend of the m cars from bmw the letter m had been applied to a high performance bmw as early as 1978 but that year s m1 was an exotic supercar it had the right image but the m1 was never going to bring in major profits the m5 was much simpler in concept it was and remains a production 5 series saloon redeveloped for ultra high performance manufacturing costs were minimized allowing bmw to price the car more attractively and still bring in healthy profits this new book charts the development of the m5 across five generations for all fans of the bmw m5 this book provides essential background and is packed with the facts and details that make the m5 legend come alive the m5 is still in production and remains the benchmark high performance saloon wherever it is sold this is essential background reading for all bmw m5 fans and motoring enthusiasts and is superbly illustrated with 211 colour photographs

**Original BMW M-Series** 2001 guaranteed to come to the rescue of owners attempting to determine which parts accessories and colors will restore their m series bmw to factory original condition this new title in the bay view original series begins with the introduction of the m1 supercar in 1979 and continues through two generations each of the m3 and m5 as well as the production of the 1996 m635csi color photography offers detail shots and full views taken in germany great britain the u s and south africa the nation in which the m5 was built special attention is given to the differences between model years
