Works of Charles Dickens: David Copperfield

1876

updated with a new chapter on digital curation how music works is david byrne s incisive and enthusiastic look at the musical art form from its very inceptions to the influences that shape it whether acoustical economic social or technological utilizing his incomparable career and inspired collaborations with talking heads brian eno and many others byrne taps deeply into his lifetime of knowledge to explore the panoptic elements of music how it shapes the human experience and reveals the impetus behind how we create consume distribute and enjoy the songs symphonies and rhythms that provide the backbeat of life byrne s magnum opus uncovers ever new and thrilling realizations about the redemptive liberation that music brings us all

Is Work Killing You?: A Doctor's Prescription for Treating Workplace Stress (Large Print 16pt)

2013-05-01

how was it possible for opponents of slavery to be so vocal in opposing the practice when they were so accepting of the economic exploitation of workers in western factories many of which were owned by prominent abolitionists david brion davis s the problem of slavery in the age of revolution 1770 1823 uses the critical thinking skill of analysis to break down the various arguments that were used to condemn one set of controversial practices and examine those that were used to defend another his study allows us to see clear differences in reasoning and to test the assumptions made by each argument in turn the result is an eye opening explanation that makes it clear exactly how contemporaries resolved this apparent dichotomy one that allows us to judge whether the opponents of slavery were clear eyed idealists or simply deployers of arguments that pandered to their own base economic interests

The Practical Works of David Clarkson Volume 2

2015-12-04

gunn sets out his aim in this book to foster a fresh understanding of the narrative about david in 2 samuel and 1 kings commonly known as the succession narrative by arguing for its fuller appreciation of its nature as a story gunn reviews the different hypotheses on the genre of the so called court history succession narrative and concludes that the purpose of this story is to entertain the work is to be considered primarily artistic and literary and the rhetorical devices in the story are reliant on traditional motifs and devices

The Works of John Knox

1895

agency and imagination in the films of david lynch philosophical perspectives offers a sustained philosophical interpretation of the filmmaker s work in light of classic and contemporary discussions of human agency and the complex relations between our capacity to act and our ability to imagine with the help of the pathological characters that so often leave their unforgettable mark on lynch s films this book reveals several important ways in which human beings fail to achieve fuller embodiments of agency or seek substitute satisfactions in spaces of fantasy in keeping with lynch s penchant for unconventional narrative techniques james d reid and candace r craig explore the possibility scope and limits of the very idea of agency itself and what it might be like to renounce concepts of agency altogether in the interpretation and depiction of human life in a series of interlocking readings of eight feature length films and twin peaks the return that combine suggestive philosophical analysis with close attention to cinematic detail reid and craig make a convincing case for the importance of david lynch s work in the philosophical examination of agency the vagaries of the human imagination and the relevance of film for the philosophy of human action scholars of film studies and philosophy will find this book particularly useful

Adpositions

The Problem of Slavery in the Age of Revolution

2017-07-05

work life balance isn't about where or how you spend your time at least not solely it's about where and how you use and replenish your energy work matters life matters work life matters as we start to navigate life during and after the pandemic employers and employees are increasingly re-evaluating how work can be made more sustainable and more fulfilling many employees particularly gen x and gen z are seeking a new psychological contract with their employers putting these trends into context and offering practical solutions this book takes a deep dive into why work matters as part of a healthy and fulfilling life the authors present a new and different way of thinking about the matter of balance arguing that there is no hard divide between work and life because work takes place entirely within life and you can't balance two things when one is a subset of the other to achieve the balance required for a healthy existence we need to recognise that there are activities in all parts of work life that drain our energy and others that give us a buzz rather than trying to solve the drain of hard work by living it large at the weekend or compensating for an unfulfilling home life by working like a demon we need to create balance at work and balance at home now is a golden opportunity to re-examine the world of work and job craft to make them more satisfying less draining and more energising the ideas in this book provide a practical guide to help that process

2017

few newspaper editors are remembered beyond their lifetimes but david astor of the observer is a great exception to the rule he converted a staid conservative supporting sunday paper into essential reading admired and envied for the quality of its writers and for its trenchant but fair minded views astor grew up at cliveden the country house on the thames which his grandfather had bought when he turned his back on new york the source of the family fortune his liberal minded father was a constant support but his relations with his mother nancy were always embattled at oxford he suffered the first of the bouts of depression that were to blight his life a lost soul for much of the thirties he became involved in attempts to put the british government in touch with the german opposition in the months leading up to the war george orwell had urged astor to champion the decolonisation of africa and nelson mandela always acknowledged how much he owed to the observer s long standing support a generous benefactor to good causes he helped to set up amnesty international and index on censorship a good man and a great editor he deserves to be better remembered
