longawaited first english translation of this famous magical text a translation from the ancient hebrew in the rare and complete 1701 amsterdam edition according to hebrew legend the sepher rezial was presented to adam in the garden of eden given by the hand of god and delivered by the angel rezial the myth thus suggests that this is the first book ever written and of direct divine provenance a diverse compendium of ancient hebrew magical lore this book was quite possibly the original source for later traditional literature on angelic hierarchy astrology qabalah and gematria moles gaster mentions this in his introduction to the sword of moles 1896 suggesting that the sepher rezial could be a primary source for many magic and qabalistic books of the middle ages sepher rezial hemelach is a compilation of five books the book of the vestment the book of the great rezial the holy names the book of the mysteries and the book of the signs of the zodiac it includes extensive explanatory text on the holy names of god the divisions of heaven and hell the names and hierarchy of the angels and spirits as well as symbolic interpretations of both the book of genesis and sepher yetzirah it also includes material on astronomy astrology gematria and various magical talismans most notably those used for
