extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions moreover a sermon conclusion marks the typical preacher s greatest need for improvement in his preaching this most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness how effective sermons end provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion this book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the word of god the pathway of better preaching is knowledge and skill to effectively conclude sermons

and this book floods that pathway with light
