engine revving when coasting or stopping astra owners network Jun 02 2023

engine revving when coasting or stopping hopefully someone can signpost me a little got a 1.6 astra j petrol and runs fine other than a recent issue that started soon after a service when the rocker cover gasket was also needing a change unsure if related

astra ceo says lv0006 tokyo drift rocket could have May 01 2023

astra ceo says lv0006 tokyo drift rocket could have achieved orbit despite engine failure interesting insight by chris kemp during the q4 earnings call

astra mk6 j 09 engine power reduced and the service Mar 31 2023

service vehicle soon message means the car's fuel engine management system as logged a dtc fault the system puts the car into reduced power mode to protect the engine

service esc message vauxhall astra k forum Feb 27 2023

just recently my engine management light has been flashing orange when driving it comes up with a message on the dash saying service esc the engine is juddering when i turn the engine off the fan just whirrs slight strange noise when the engine starts too as anyone had a similar problem thanks

astra mk6 j 09 service vehicle soon and power loss Jan 29 2023

obviously an old thread this one but if you've had the service vehicle soon warning light on the dash this basically relates to a non-emissions related engine management fault so it will have stored a fault code codes plugging in will be the next step as to see what has been stored
