2007

in this dazzling collection best selling author marnie o mamminga details the common experiences that unite those of us who live love and work in the heart of the country with insight and humor mamminga chronicles a wide range of small but significant everyday moments the anxiety of taking a teenager out for driving lessons the nostalgic pleasure of watching the cubs at wrigley field the heartache of moving an aging parent into a nursing home and the quiet bliss of sitting on a cabin s porch listening for loons and wolves under the northwoods starry sky combining elements of the personal and

the universal these essays chart the passage of time from childhood to adulthood sickness to health working life to retirement parenthood to grandparenthood and everything in between these sharply observed vignettes highlight the importance of taking time to appreciate the ordinary occurrences that profoundly shape our lives and the places we call home
