## **Speech and Debate as Civic Education 2017-01-12**

the handbook of rhetoric and public address is a state of the art companion to the field that showcases both the historical traditions and the future possibilities for public address scholarship in the twenty first century focuses on public address as both a subject matter and a critical perspective mindful of the connections between the study of public address and the history of ideas provides an historical overview of public address research and pedagogy as well as a reassessment of contemporary public address scholarship by those most engaged in its practice includes in depth discussions of basic issues and controversies public address scholarship explores the relationship between the study of

public address and contemporary issues of civic engagement and democratic citizenship reflects the diversity of views among public address scholars advancing on going discussions and debates over the goals and character of rhetorical scholarship

## **Advanced Public Speaking 2018-05-25**

in this book eleven teacher scholars of communication provide a robust study of the challenges and opportunities facing those who teach first year communication courses the first half of the volume offers paradigmatic analyses including a survey of the ecology of the first year course a plea to integrate our first year courses into our research agendas a study of the gap between scholarship and pedagogy within rhetoric a proposal for seven core competencies to unify the various first year communication courses and an argument for a critical communication paradigm the second half details innovations in classroom practice such as the teaching techniques of social justice pedagogues team based learning as a model for the public speaking course response and feedback techniques in teaching public speaking at the university of copenhagen teaching online speech as a new course focused on the unique challenges of digital communication and the role of oral interpretation and performance classes in the first year curriculum finally this volume concludes with the editor s manifesto for teaching public speaking

## **Revel -- Print Offer Sticker -- For Public Speaking and Civic Engagement 2018-07-15**

a timely collection of essays by prominent scholars in the field on the past present and future of rhetoric instruction from isocrates and aristotle to the present rhetorical education has consistently been regarded as the linchpin of a participatory democracy a tool to foster civic action and social responsibility yet questions of who should receive rhetorical education in what form and for what purpose

continue to vex teachers and scholars the essays in this volume converge to explore the purposes problems and possibilities of rhetorical education in america on both the undergraduate and graduate levels and inside and outside the academy william denman examines the ancient model of the citizen orator and its value to democratic life thomas miller argues that english departments have embraced a literary research paradigm and sacrificed the teaching of rhetorical skills for public participation susan kates explores how rhetoric is taught at nontraditional institutions such as berea college in kentucky where appalachian dialect is espoused nan johnson looks outside the academy at the parlor movement among women in antebellum america michael halloran examines the rhetorical education provided by historical landmarks where visitors are encouraged to share a common public discourse laura gurak presents the challenges posed to traditional notions of literacy by the computer the promises and dangers of internet technology and the necessity of a critical cyber literacy for future rhetorical curricula collectively the essays coalesce around timely political and cross disciplinary issues rhetorical education in america serves to orient scholars and teachers in rhetoric regardless of their disciplinary home and help to set an agenda for future classroom practice and curriculum design

## **Speaking Up in Class 2010-05-10**

providing a comprehensive survey of the empirical research theory and history of public speaking this handbook fills a crucial gap in public speaking pedagogy resources and provides a foundation for future research and pedagogical development bringing together contributions from both up and coming and senior scholars in the field this book offers a thorough examination of public speaking guided by research across six key themes the history of public speaking the foundations of public speaking issues of diversity equity and inclusion considerations of public speaking across contexts assessment of public speaking and the future of public speaking in the twenty first century the evidence based chapters engage with a broad discussion of public speaking through a variety of viewpoints to demonstrate how subtopics are connected and fraught with complexity contributors

explore public speaking in education business and professional settings and political contexts and outline how skills learned through public speaking are applicable to interpersonal small group and business interactions reinforcing the relevance importance and significance of public speaking in individual interpersonal social and cultural communication contexts this accessibly written handbook will be an indispensable resource for public speaking instructors and program administrators it will also be valuable reading for communication pedagogy and introduction to graduate studies courses

## **The Handbook of Rhetoric and Public Address 2018-07-26**

listeners do love their pastors and they agree with the sermon content they hear lori carrell once explained to a group of pastors but most sermons don t ask for change and most listeners don t experience spiritual growth as a result of the sermon a participant responded let s get practical i want my preaching to make a difference what changes are worth making and how do i make them in preaching that matters lori carrell shares answers to that question drawing on the experiences of thousands of people preachers and their listeners whose effort she has studied over many years in each chapter of this book she offers research revelations about high impact preaching that will encourage and challenge readers to continue to grow as preachers she then links these principles with reflective practice challenges rpcs exercises that honor the rich experiences of pastors while opening opportunities for self analysis spiritual introspection conversation with a trusted other or implementation of research based preaching recommendations the activities have been used by hundreds of other pastors and each rpc has been carefully selected for its demonstrated contribution to the process of transforming sermon communication a selection of the rpcs are available as a downloadable file e mail resourcematerial rowman com for more information as a communication expert carrell approaches preaching from a sermon communication paradigm she begins with the task of identifying the spiritually transformative purpose of the

sermon and then explores exegesis organizing deepening and delivering the sermon as well as listening to the listeners and planning for continued transformation her own goal is simple to inspire and equip clergy to make changes that will enhance the transformative power of their preaching to connect with others reading preaching that matters and to find an online accountability partner join the book's google communities

## **Teaching First-Year Communication Courses 2009-03-15**

when we think about what constitutes being a good citizen routine activities like voting letter writing and paying attention to the news spring to mind but in citizen speak andrew j perrin argues that these activities are only a small part of democratic citizenship a standard of citizenship that requires creative thinking talking and acting for citizen speak perrin met with labor church business and sports organizations and proposed to them four fictive scenarios what if your senator is involved in a scandal or your police department is engaged in racial profiling or a local factory violates pollution laws or your nearby airport is slated for expansion the conversations these challenges inspire perrin shows require imagination and what people can imagine doing in response to those scenarios depends on what's possible what's important what's right and what's feasible by talking with one another an engaged citizenry draws from a repertoire of personal and institutional resources to understand and reimagine responses to situations as they arise building on such political discussions citizen speak shows how a rich culture of association and democratic discourse provides the infrastructure for a healthy democracy

## **Rhetorical Education In America 2024-04-18**

rhetorical public speaking civic engagement in the digital age third edition offers students an innovative approach to public speaking by employing the rhetorical canon as a means

of constructing artful speech in a multi mediated environment it provides a foundation to guide students in understanding constructing and delivering messages that address matters of public concern this edition features contemporary as well as historical examples to highlight key concepts and show how rhetoric works in practice each chapter includes speech excerpts summaries and exercises for review and retention students of public speaking are encouraged to employ their new skills as engaged citizens of society

## **The Routledge Handbook of Public Speaking Research and Theory 2013-04-11**

whistleblowing is the public disclosure of information with the purpose of revealing wrongdoings and abuses of power that harm the public interest this book presents a comprehensive theory of whistleblowing it defines the concept reconstructs its origins discusses it within the current ethical debate and elaborates a justification of unauthorized disclosures its normative proposal is based on three criteria of permissibility the communicative constraints the intent and the public interest conditions the book distinguishes between two forms of whistleblowing civic and political showing how they apply in the contexts of corruption and government secrecy the book articulates a conception of public interest as a claim concerning the presumptive interest of the public it argues that public interest is defined in opposition to corporate powers and its core content identified by the rights that are all purposive for the distribution of social benefits a crucial part of the proposal is dedicated to the impact of security policies and government secrecy on civil liberties it argues that unrestrained secrecy limits the epistemic entitlement of citizens to know under which conditions their rights are limited by security policies and corporate interests when citizens are denied the right to assess when these policies are prejudicial to their freedoms whistleblowing represents a legitimate form of political agency that safeguards the fundamental rights of citizens against the threat of unrestrained secrecy by government power finally the book contributes to shifting the attention of democratic theory from the procedures of consent formation

to the mechanisms that guarantee the expression of dissent it argues that whistleblowing is a distinctive form of civil dissent that contributes to the demands of institutional transparency in constitutional democracies and explores the idea that the way institutions are responsive to dissent determines the robustness of democracy and ultimately its legitimacy what place dissenters have within a society whether they enjoy personal safety legal protection and safe channels for their disclosure are hallmarks of a good democracy and of its sense of justice

### ***Preaching that Matters 2009-10-15***

this book explores the growing awareness brought on by the recent explosion of communication technology that all human beings are citizens of the world ryan lamothe argues that this awareness comes with an urgent need to address political issues systems and structures at local state and international levels that harm human beings and our one habitat through the lens of pastoral theology lamothe analyzes the concepts of care faith power and community as they are related to addressing local and global problems linked to neoliberal capitalism racism and classism

### ***Citizen Speak 2017-06-14***

in the wake of russia s annexation of crimea this volume examines the relationship russia has with its so called compatriots abroad based on research from belarus estonia kazakhstan latvia and ukraine the authors examine complex relationships between these individuals their home states and the russian federation russia stands out globally as a leading sponsor of kin state nationalism vociferously claiming to defend the interests of its so called diaspora especially the tens of millions of ethnic russians and russian speakers who reside in the countries that were once part of the soviet union however this volume shifts focus away from the assertive diaspora politics of the russian state towards the actual groups of russian speakers in the post soviet space themselves in a series of empirically grounded studies the authors examine complex relationships

between russians their home states and the russian federation using evidence from belarus estonia kazakhstan latvia and ukraine the findings demonstrate multifaceted levels of belonging and estrangement with spaces associated with russia and the new independent states in which russian speakers live by focusing on language media politics identity and quotidian interactions this collection provides a wealth of material to help understand contemporary kin state policies and their impact on group identities and behaviour the chapters in this book were originally published as a special issue of europe asia studies

## **Rhetorical Public Speaking 2018-08-22**

via 100 entries or mini chapters the sage 21st century reference series volumes on communication will highlight the most important topics issues questions and debates any student obtaining a degree in the field of communication ought to have mastered for effectiveness in the 21st century the purpose is to provide undergraduate majors with an authoritative reference source that will serve their research needs with more detailed information than encyclopedia entries but not as much jargon detail or density as a journal article or a research handbook chapter

## **Speaking Truth to Power - A Theory of Whistleblowing 1972**

declamations were composed and orally delivered in the roman empire by sophists or teachers of rhetoric of whom the greek speaking libanius was one of the most distinguished stock characters speaking may be thought of as emerging from three developments of recent decades an explosive interest in late antiquity a newly sympathetic interest in rhetoric including ancient declamation and a desire to bring libanius s massive corpus into english and other modern languages in this book author robert j penella translates eight of libanius s declamations 29 30 34 35 37 45 46 47 and in an appendix the thirteenth century gregory of cyprus s response to declamation 34 each translation is accompanied by an introduction in which penella examines the themes structure

and the stasis or key issue of the declamations figures who appear in the translated declamations include a parasite who has lost his patron a man envious of his rich neighbor a miser s son a poor man willing to die for his city a rich war hero accused of aiming at tyranny and a convict asking for exile three of these declamations have appeared in german otherwise these translations are the first into a modern language

## **Federal Employment Problems of the Spanish Speaking 1972**

given the fierce urgency of now this important book confronts and addresses key problems and questions of political theology with the aim of proposing a radical political theology for the anthropocene age lamothe invites readers to think and be otherwise in living lives in common with all other human beings and other than human beings that dwell on this one earth

## **Federal Employment Problems of the Spanish Speaking 2018-10-31**

there is a flourishing literature on citizenship education in china that is mostly unknown in the west liberal political theorists often assume that only in democracy should citizens be prepared for their future responsibilities yet citizenship education in china has undergone a number of transformations as the political system has sought to cope with market reforms globalization and pressures both externally and within the country for broader political reforms over the past decade chinese scholars have been struggling for official recognition of citizenship education as a key component of the school curriculum in these changing contexts this book analyzes the citizenship education issues under discussion within china and aims to provide a voice for its scholars at a time when china s international role is becoming increasingly important

## **Pastoral Reflections on Global Citizenship 2021-05-13**

the sage handbook of rhetorical studies surveys the latest advances in rhetorical scholarship synthesizing theories and practices across major areas of study in the field and pointing the way for future studies edited by andrea a lunsford and associate editors kirt h wilson and rosa a eberly the handbook aims to introduce a new generation of students to rhetorical study and provide a deeply informed

and ready resource for scholars currently working in the field

## ***The Russian-speaking Populations in the Post-Soviet Space 2009-05-15***

examines the rhetoric in and around the new york state asylum for idiots in syracuse from 1854 to 1884 in the nineteenth century language rather than biology created what we think of as disability much of the rhetorical nature of idiocy and even intelligence itself can be traced to the period when the new york state asylum for idiots in syracuse first opened in 1854 memorialized today as the first public school for people considered feeble minded or idiotic the asylum school pupil is a monumental example of how education attempts to mold and rehabilitate one s being zosha stuckey demonstrates how all education is in some way complicit in the urge to normalize the broad unstable and cross cultural category of people with disabilities endures an interesting relationship with rhetoric education speaking and writing stuckey demystifies some of that relationship which requires new modes of inquiry and new ways of thinking and she calls into question many of the assumptions about embodied differences as they relate to pedagogy history and public participation there is no other single work quite like this one stuckey makes an original contribution to rhetorical studies to disability history and to a history of special education cynthia lewiecki wilson coeditor of disability and mothering liminal spaces of embodied knowledge

## **21st Century Communication: A Reference Handbook 2023-01-09**

educating for critical democratic literacy educates pre and in service elementary school teachers in teaching four key civics concepts through social studies and literacy integration written together by both literacy and social studies experts it is based on a conceptual revision of the notions of civic education and critical literacy called critical democratic literacy cdl the authors dual expertise

allows them to effectively detail the applications of their knowledge for teachers from lesson conception to implementation to assessment part i explains the theory and basic principles of cdl and provides background information on the role of democracy in education part ii consists of four sample lessons designed using the national council for the social studies ncsc c3 framework and the common core state standards for english language arts ccss ela standards part iii includes a primer explaining the four civic concepts that frame the book fully aligned to both the ccss ela and ncsc c3 framework this timely resource provides future and current teachers with specific lessons and tools as well as the skills to develop their own rigorous integrated units of study

## **Stock Characters Speaking 2022-12-08**

when lyndon b johnson signed the bilingual education act of 1968 language learning became a touchstone in the emerging culture wars nowhere was this more apparent than in los angeles where elected officials from both political parties had supported the legislation and where the most disruptive protests over it occurred the city with its diverse population of latinos and asian americans is the ideal locus for zevi gutfreund s study of how language instruction informed the social construction of american citizenship combining the history of language instruction school desegregation and civil rights activism as it unfolded in japanese american and mexican american communities in la this timely book clarifies the critical and evolving role of language instruction in twentieth century american politics speaking american reveals how for generations language instruction offered a forum for angelino educators to articulate their responses to policies that racialized access to citizenship from the national origins immigration quotas of the progressive era through congress s removal of race from these quotas in 1965 meanwhile immigrant communities designed language experiments to counter efforts to limit their liberties gutfreund s book is the first to place the experiences of mexican americans and japanese americans side by side as they navigated debates over americanization programs intercultural education school desegregation and

bilingual education in the process the book shows these language experiments helped angelino immigrants introduce competing concepts of citizenship that were tied to their actions and deeds rather than to the english language itself complicating the usual top down approach to the history of racial politics in education speaking american recognizes the ways in which immigrant and ethnic activists as well as white progressives and conservatives have been deeply invested in controlling public and private aspects of language instruction in los angeles the book brings compelling analytic depth and breadth to its examination of the social and political landscape in a city still at the epicenter of american immigration politics
