A Selection of Leading Cases in Criminal Law 1857

this detailed nuts and bolts guidebook includes everything rvers need to know about their rigs in order to take extended trips with ease comfort and peace of mind with dozens of checklists and tips on trip planning and preparation life on the road and maintenance and service

International Law Reports 1986-01-04

this monograph is concerned with two foundational principles of english property law the principle of relativity of title and the principle that possession is a source of title it is impossible to understand the relationship between possession and ownership in english law unless one has a sound understanding of these principles yet the principles have been interpreted in different ways by judges practitioners and academics the volume seeks to illuminate this area of law by addressing four questions what is possession what is the nature of the title acquired through possession what are the grounds of relativity of title and what is the relationship between relativity of title and ownership drawing on the analysis of the law concerning relativity of title and the acquisition of proprietary interests through possession the author also

implies that the architecture of land law and the law of personal property have many similarities
