exhaust smoke colors what do they mean jiffy lube

Jan 10 2023

black smoke from exhaust unlike blue smoke which may signal burning oil black smoke points towards an imbalance in the air to fuel ratio with too much fuel or too little air being present during combustion unburnt fuel particles escape the combustion process in the engine and are expelled through the exhaust giving the smoke its dark color

introduction to scale insects university of maryland extension

Dec 09 2022

considered pests scale are sucking insects that consume sap or plant cell contents they are categorized as either armored hard scale or soft scale and this distinction determines the damage they can cause and how they are best controlled low populations tend to go undetected high populations can cause plant damage such as leaf yellowing
