Views [of the College]. 1934

the exuberant explosions of old college days have traditionally been forgiven as somewhat enviable expressions of the high spirits of exultant youth are young intellectuals now the dominant group in many colleges less adolescent and more mature or do their immaturities merely manifest themselves in different ways as intellectual individualists students do not usually care for group explosions unless they are for social causes such as the rights of minorities but their adolescence often manifests itself individually in a superior condescension or in depressive inferiority complexes this book is a fascinating account of the changes that have taken place in the backgrounds attitudes and temperaments of students at the so called prestige colleges though everett lee hunt draws heavily upon his observations and experiences during more than thirty years as a dean and professor of swarthmore college his book is much more than a case study of one outstanding college hunt presents many concrete examples of student moods customs actions and expressions of values with wisdom and warmth he discusses three successive eras in the college schooling of american adolescents guarded education conformity to accepted ways and intellectual individualism teachers deans student counselors personnel workers and school psychologists and psychiatrists will find this classic book of continuing interest in guiding their dealings with adolescent students the revolt of the college intellectual may also interest students themselves their parents alumni and all who are in anyway concerned with education as a preparation for life in a rapidly changing and troubled world everett lee hunt who died in 1984 taught at huron swarthmore college cornell university and the universities of illinois and colorado his writings include studies of plato aristotle and matthew arnold he was the eighth president of the eastern communication association committee of scholars and one of the founders of the field of communication

The Journal of the College of Science, Imperial University of Tokyo, Japan 1894

you are making history today the university of virginia extension division agent samuel crockett observed to a gathering of students and faculty on september 15 1954 in wise virginia the occasion was the opening convocation of what would become clinch valley college of the university of virginia and the 109 students assembled many of whom were korean war veterans or women were indeed part of something quite special people in southwest virginia and friends in charlottesville not the least being university of virginia president colgate w darden jr had worked tirelessly to make this day possible a snowbound discussion at the colonial inn in wise had resulted in the conversion of the local county poor farm into the only branch of the university of virginia since those humble beginnings the college at wise has flourished growing from a two year certificate granting institution into a four year baccalaureate degree granting college in the late 1960s in 1999 the college completed a transition from clinch valley college to the university of virginia s college at wise having journeyed over uncertain ground with respect to its student population and its relationship with the university of virginia the college at wise has in recent years boasted its highest historical student enrollments garnered a national reputation as a public liberal arts college and still operates as the university s only branch published for wise s fiftieth anniversary in september 2004 brian steel wills s history is essential reading for the college s alumni faculty and administrators and for anyone interested in a heroic chapter in the history of public higher education in virginia

1996

this pamphlet provides a concise history of the owens college of manchester founded in 1851 the text briefly describes the various departments of the college including chemistry mathematics and classics this book is an interesting artifact of educational history and provides insights into the development of higher education in england this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Report on the Needs of the College 1926

excerpt from in the college days a group of monologues college is a little world within itself it has its own traditions institutions and types each of which is dear to the one who has roamed the campus college spirit never dies years may come and go but the glamour of those happy days never leaves the one who has lingered in the enchanted land and like aeneas of old the college man together with the college woman is proud to say i was a part of it all these monologues attempt to portray the different phases of the campus life to depict the different individuals that compose the campus citizenship to give to the uninitiated a glimpse of the glad free life within the college walls with a few exceptions the speeches are those of college girls but these exceptions while illustrating types of college men are written in such a way that they may be satisfactorily and perfectly rendered by women about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Revolt of the College Intellectual 1754

annual reports of the administrative and academic divisions of the college bound into 1 v and presented to the president of the college by the administrative dean

A General Account of the Rise and State of the College Lately Established in the Province of New-Jersey, in America, and of the End and Design of Its Institution 2004

columbia college formerly known as christian college was founded in 1851 in the small frontier town of columbia missouri touted as the first women s college west of the mississippi river columbia college emerged as virtually a sister college to the university of missouri sharing leadership faculty and curriculum covering each of the school s presidential administrations columbia college examines all aspects of the college academic administrative financial athletic and student life particular emphasis is placed on the role various individuals played over the years although created through the zealous efforts of progressive leaders of the christian church disciples of christ the college was bound by its charter to be nondenominational an issue that sometimes led to passionate sectarian quarrels within the fledgling institution despite pre civil war political differences denominational rivalries and personality clashes the college struggled to survive through 150 years of continuity and change columbia college has tenaciously upheld its liberal arts tradition as a teaching centered institution seeking innovative ways to broaden educational horizons and meet the needs of new generations from the sheltered environment of christian female college columbia college has evolved into a modern coeducational institution with twenty four military and civilian extended campuses across the united states and in puerto rico and a thriving evening campus that specializes in adult education columbia college will be of great interest to columbia college alumni as well as to anyone with an interest in liberal arts and adult education those wishing to preserve the endangered tradition of the small private college will find the columbia college experience not only an inspiration but also a lesson in creativity loyalty and dedication

No Ordinary College 2023-07-18

excerpt from the working men s college 1854 1904 records of its history and its work for fifty years by members of the college in accordance with a general desire that the jubilee of the working men s college should be marked by the publication of a volume illustrating its history this book has been prepared by a number of representative contributors the five still living of those who may be reckoned as founders three of whom messrs ludlow dickinson and furnivall are octogenarians principals and vice principals teachers and students have combined to supply memories and descriptions which will be of special interest to those who already belong to the college but which we hope will also be attractive to others who may assist in building up its future about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Owens College, Manchester (founded 1851); a Brief History of the College and Description of Its Various Departments 1895

from bottom to top tier in a decade th e wagner college turnaround years is a memoir recounting one of the most remarkable turnaround stories in american higher education as recalled by the president who led a fourteen year campaign bringing this financially troubled under enrolled bottom ranked college from disrepair and impending closure to wide regard as one of the top small residential private colleges in the east by the time norman smith departed in 2002 the college was ranked top tier was full to capacity and was cited as one of america s most beautiful college campuses located on a hilltop overlooking manhattan that had once been vanderbilt and cunard estates wagner college should never have gotten into trouble th is recounting is not only an engaging human story of the many trustees benefactors faculty and staff who were key to the turnaround but also represents a case study template of what must happen for any college to survive and ultimately flourish in these competitive times for private higher education
