Developing the Curriculum

2019

a complete resource for teaching green to young people from kindergarten
through grade five

Teaching Children Science

2005-05-01

there is a wide and growing ethnic cultural social class and linguistic gap
between many of the nations teachers and their students multicultural
education issues and perspectives 9th edition is designed to help current and
future educators acquire the concepts paradigms and explanations needed to
become effective practitioners in culturally racially linguistically and
social class diverse classrooms and schools an important goal of the 9th
edition is to help educators attain a sophisticated understanding of the
concept of culture and to view race class gender social class and
exceptionality as interacting concepts rather than as separate and distinct

Teaching Green -- The Elementary Years

2016-01-11

this is the ebook of the printed book and may not include any media website
access codes or print supplements that may come packaged with the bound book
scholarly and empirically based yet friendly and accessible this text shows
teachers how to use the principles of behavior analysis to create their own
recipes for success through classroom based examples and practices firmly
grounded in research applied behavior analysis for teachers gives teachers
powerful ways of dealing appropriately and ethically with some of the most
challenging behaviors students display it takes readers through the entire
process from identifying a target behavior to collecting and graphing data
selecting an experimental design conducting a functional analysis arranging
consequences arranging antecedents and generalizing behavior change the
authors emphasis on making the text readable and user friendly features
numerous examples describing students from preschool through young adulthood
functioning at various levels of ability and teachers ranging from excellent
to poor with many relatable examples of good teachers who learn from their
inevitable mistakes

Multicultural Education
