## D-Day

2012-05-24

this enhanced ebook contains scores of fascinating additional material including astonishing black white and colour footage taken at the time of the events video introduction by antony beevor 26 embedded film clips including footage of the normandy landings firefights in the deadly bocage hedgerows allied bombing raids allied commanders the liberation of paris rarely seen original nbc and universal newsreels and radio broadcasts announcing the invasion rare colour footage shot by the journalist jack lieb the normandy landings that took place on d day involved by far the largest invasion fleet ever known the scale of the undertaking was simply awesome what followed them was some of the most cunning ferocious and savage fighting of the war as casualties mounted so too did tensions between the commanders on both sides meanwhile french civilians caught in the middle of the fighting endured terrible suffering even the joys of liberation had their dark side the war in northern france marked the whole of the post war world profoundly influencing relations between europe and america making use of overlooked and new material from more than 30 archives in 6 countries d day is the most vivid and well researched account yet of the battle of normandy as with stalingrad and berlin antony beevor s gripping narrative conveys the true experience of war

## ***D-Day: The Decision to Launch***

2013-05-21

the little known drama of the last minute decision to launch the invasion of normandy excerpted from the internationally bestselling d day the battle for normandy in d day the decision to launch excerpted from antony beevor s bestselling book d day the battle for normandy readers get the little known story of how the difficult decision was made to launch the allied invasion of france on june 6 1944 the stakes could not have been higher if operation overlord were to fail it would be a crushing blow to the allies a huge loss of both men and equipment the decision of when to launch rested with supreme commander general dwight d eisenhower but it hinged on one factor the weather if there was too much cloud cover the allied bombers wouldn t be able to provide air support and if the seas were too rough the landing craft would be swamped it fell to one man to predict the weather dr james stagg the head of the meteorological team at supreme headquarters allied expeditionary force this riveting selection from d day praised by time as a vibrant work of history that honors the sacrifice of tens of thousands of men and women tells the fascinating inside story of one of the most important decisions of world war ii

## **D-dagen**

2015-02-02

antony beevor är en samtida tolstoy dagens nyheter kort och gott ett mästerverk arvika nyheter antony beevor är tillbaka med ett nytt storverk om andra världskriget efter succéerna stalingrad och berlin i d dagen slaget om normandie ger han en helt ny bild av tidernas mest omfattande militäroperation med hjälp av ett gigantiskt forskningsmaterial det rör sig om tusentals sidor ur ett trettiotal arkiv från ett halvt dussin länder en del av källmaterialet är helt nytt dagböcker och redogörelser som familjer har donerat till olika arkiv i gryningen den 6 juni 1944 svepte en jättearmada av fartyg och fallskärmssoldater över engelska kanalen och 175 000 man från de allierade länderna steg i land längs normandies kust den största militära operationen genom tiderna hade börjat

inte ens stalin kunde låta bli att imponeras av det som kom att kallas dagen under hela kriget har det aldrig tidigare genomförts ett sådant krigsföretag skrev han till churchill dagen har behandlats i åtskilliga böcker filmer och tv serier och är en av de mest kända operationerna från andra världskriget men inget som skrivits tidigare bygger på ett så omfattande forskningsarbete som i denna bok utifrån tidigare förbisätta eller bortglömda källor visar han hur brittiska kanadensiska och amerikanska styrkor blev indragna i stridigheter lika brutalia som grymheterna på östfronten händelseförloppet beskrivs ur både tyskarnas och de allierades perspektiv från landstigningen den 6 juni till befrielsen av paris 1944 med samma gripande och målande stil som i böckerna stalingrad och berlin slutstriden 1945 skildras krigets brutalia verklighet antony beevor tidigare brittisk officer är en av vår tids ledande militärhistoriska författare han har tilldelats en rad prestigefyllda priser och hedersutmärkelser och hans böcker har sålt i närmare fyra miljoner exemplar över världen över pressröster om antony beevors tidigare böcker antony beevor är en samtida tolstoj som med sina historiska böcker håller på att skapa ett litterärt storverk som kommer att stå sig under lång tid framöver dagens nyheter jag vet ingen annan bok om andra världskriget som så effektivt och levande ger en bild av krigets demoniska krafter dess destruktiva inverkan på människors liv och drömmar i detta avseende är beevors arbete en kulturgärning sydsvenska dagbladet om berlin ett storslaget verk beevor har en suverän förmåga att berätta helsingborgs dagblad om berlin stalingrad slår ut det mesta som skrivits om andra världskriget västmanlands läns tidning om stalingrad en briljant och mycket stort genomförd bok svenska dagbladet om stalingrad

## **D-Day et la bataille de Normandie**

2009

le débarquement allié en normandie le 6 juin 1944 passe à juste titre pour un des grands tournants de la seconde guerre mondiale à tel point que dans l'esprit de beaucoup de français le reste de la guerre ne fut qu'une formalité ou il n'en est rien si le débarquement fut un de ces moments où se forgent les légendes la bataille qui s'ensuivit connue sous le nom de bataille de normandie fut autrement plus longue difficile émaillée d'atrocités et décisive en effet une défaite alliée aurait eu des conséquences géopolitiques majeures pour l'europe car rien alors n'aurait pu empêcher l'armée rouge de pousser jusqu'à l'atlantique ou antony beevor révèle pour la première fois à quel point le désordre l'improvisation les erreurs stratégiques et tactiques l'impréparation de leurs troupes faillirent coûter leur victoire aux alliés seule leur écrasante supériorité aérienne leur permit de l'emporter mais à quel prix notamment en vies civiles françaises et en morts accidentelles dans leurs propres rangs d-day et la bataille de normandie est le premier livre d'histoires narratives à l'anglo-saxon sur ces trois mois de guerre totale publié en france depuis le jour le plus long de cornelius ryan qui date de 1959 antony beevor a pu consulter des archives rendues publiques aux états-unis et en angleterre en vertu des délais de prescription mais aussi des documents inédits allemands français et canadiens et retrouver nombre d'enregistrements originaux dont les débriefings des soldats américains enregistrés à chaud par le service d'information des armées ce qui lui a permis de croiser les témoignages et d'approcher au plus près le vécu des combattants sur le terrain c'est à une reconstitution entièrement nouvelle et à rebours des mythes dominants qu'il nous convie en maniant comme lui seul sait le faire le zoom tantôt au plus près de l'action sur le terrain pour montrer tantôt avec du recul pour expliquer

## El Día D

2005-07

published in partnership with the national archives d day documents is a commemorative collection of previously unpublished documents marking the 70th anniversary of the normandy landings this unprecedented book contains not only 21st army group intelligence reports on omaha beach raf photographic reconnaissance prints and the ship s log of hms warspite but various other important official documents covering different aspects of operations neptune and overlord crucially this single volume brings together for the first time the war diary entries of all anglo canadian spear head units

and regiments who landed in france on 6 june 1944 a unique publication which celebrates one of the most momentous days in modern military history d day documents will fascinate anyone with an interest in the second world war as well as offering an invaluable primary source for military historians

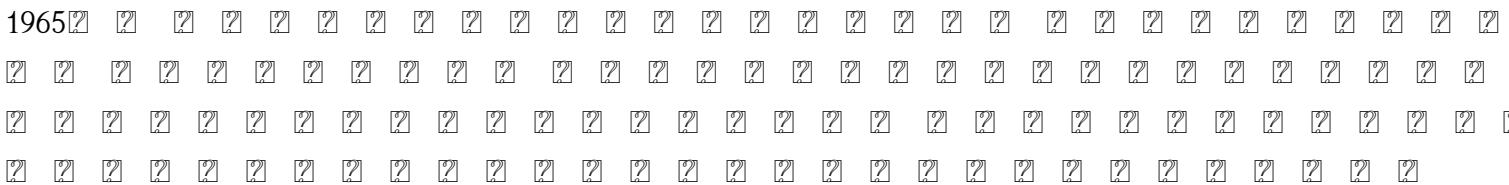

2010

from omaha beach on d day and the french resistance to the tragedy of huertgen forest and the liberation of paris this is the story of ernest hemingway s adventures in journalism during world war ii in the spring of 1944 hemingway traveled to london and then to france to cover world war ii for colliers magazine obviously he was a little late in arriving why did he go he had resisted this kind of journalism for much of the early period of the war but when he finally decided to go he threw himself into the thick of events and so became a conduit to understanding some of the major events and characters of the war he flew missions with the raf in part to gather material for a novel he went on a landing craft on omaha beach on d day he went on to involve himself in the french resistance forces in france and famously rode into the still dangerous streets of liberated paris and he was at the german siegfried line for the horrendous killing ground of the huertgen forest in which his favored 22nd regiment lost nearly man they sent into the fight after that tragedy it came to be argued he was never the same this invigorating narrative is also in a parallel fashion an investigation into hemingway s subsequent work much of it stemming from his wartime experience which shaped the latter stages of his career in dramatic fashion
