product description the famous blue shocks tokico s hp series
continues to be the overwhelming choice of performance enthusiasts
looking for the best in overall handling and ride quality not all
shocks and struts are created equal w inter s p ring 2009 scion co m
every scion comes into this world fully loaded with superior standard
features but you have options that s why scion offers numerous
accessories that will allow you to customize your scion to reflect
your distinct style all scions are monospec which means you select
your color and transmission type it s cool but really not something
that you see everyday thanks to the wonder of front wheel drive to be
fair even if the xb was rear wheel drive the stock 2 4 liter straight
four would be badly suited for drift duty a 2jz on the other hand that
would do quite nicely yes it s weird pros interior handling steering
fuel efficiency comfort driving experience value appearance
reliability manufacturing quality acceleration spaciousness safety the
production scion iq debuted at the 2010 new york auto show and was
marketed for model years 2012 to 2015 in north america the iq was only
available with the 1 3 l lnr fe engine paired to a cvt automatic
