The Secret Government of the United States 1962 wherever there is furor or society s yearnings there the power will have its own leadership and make it official imposing its own rules the control over the population masses is total and unrestricted absolutely no

individual will occupy the top job of a nation without the secret government putting him there this fact is absolute the secret government orchestrates everything everything he specializes in this his learning actually precedes life on earth nowadays there is a very well designed plan for world domination with dates and deadlines for execution we are surface humanity precisely because we see only the shell of objects and people enable yourself to have an inner view of the world theater and yourself taking advantage of the opportunity it is extremely important to stimulate the creativity of older people such as our parents and grandparents orange to red fruits and vegetables are a natural diet against most known or unknown poisons research the lemon cure and put it into practice always look for natural and alternative practices as everything related to health is handled as you already know that said dare to read the book until the end where i will leave my relaxation technique there that will help you to walk a path of inner self knowledge you will hardly see any member of the richest families in the world die from what affects humanity today 23 04 2020 simply because they have always been at the center of the control of the world when someone at the top dies or falls it is because he had a hidden purpose in it they are the command the secret government of the world absolutely nothing happens on the planet that they have not orchestrated including climatic and telluric phenomena although some are reactions and a chain in response to the aggressions of man by the unbalanced planet itself the wealthiest families on the planet are the system and the government no president of any nation takes power without the endorsement of the system as i said earlier everything is very well orchestrated they are the secret government of the world and this will be made public when and if they so wish nothing

absolutely escapes the control of the system make no mistake no purely human force is able to rise up against the world system and later in the book you will understand the real reason for this statement the discipline system its the members and killer through his subordinates his opponents or simply destroy the various forms ever imagined the people subordinate to the system are very eloquent everyone buys the lies they propagate as absolute truths they will hold their lies to death despite this we have politicians here in brazil who are defendants in countless lawsuits others serving sentences however despite all the evidence and evidence they act as if they were saints and claim to be victims of persecution the dome of politics are very faithful servants of the system and no one absolutely no one who is not corrupt reaches the summit so there is no president who represents the light and the truth here on earth the population masses are the cattle that will always fulfill whether or not they want the goals of the system whether or not cattle are always driven to slaughter thus the only option for cattle is to perish with honor and dignity having done everything possible to do for their
