likes to say that he was born with gasoline in his veins and a crayon in each hand a designer at heart davidson combined his passions for art and motorcycles to extend a multi generational unbroken thread from harley davidson motorcycle company s birth in a wooden shed in the early twentieth century to today the grandson of one of the company s founders and the son of one of its longtime presidents davidson created a series of iconic designs that defined harley davidson factory custom bikes and cemented its standing as the premier motorcycle company in the world davidson was instrumental in saving the company from bankruptcy and then helping it explode into a global phenomenon for more than five decades davidson was more than a namesake of the founders he was the heart and soul of harley davidson and a personal connection to millions of riders around the world who knew him simply as willie g throughout his life davidson has embodied a close to the customer relationship by attending motorcycle rallies rides and races with his late wife nancy the first lady of motorcycling and son and daughter bill and karen davidson who recently joined their famous parents by being inducted into the sturgis motorcycle hall of fame and play key roles in the motor company today in ride free davidson recounts his memories of family relationships and events that defined his extraordinary life and legacy of power passion and purpose davidson gives readers a behind the scenes look at the planning design and conception of legendary bikes that inspired millions of riders over the past half century stories of his unforgettable rides around the world the people he encountered while navigating thousands of miles on the roads and the legacy that he and his family have created which will carry on the most famous name in motorcycles this book is intended as a guide to the maintenance and repair of the danish nimbus type c motorcycles built between 1935
