new york times bestseller a new york times notable book of the  
year a grand devastating portrait of three generations of the  
sackler family famed for their philanthropy whose fortune was  
built by valium and whose reputation was destroyed by oxycontin  
from the prize winning and bestselling author of say nothing a  
real life version of the hbo series succession with a lethal sting in  
its tail a masterful work of narrative reportage laura miller slate  
the history of the sackler dynasty is rife with drama baroque  
personal lives bitter disputes over estates fistfights in  
boardrooms glittering art collections machiavellian courtroom  
maneuvers and the calculated use of money to burnish  
reputations and crush the less powerful the sackler name has  
adorned the walls of many storied institutions harvard the  
metropolitan museum of art oxford the louvre they are one of the  
richest families in the world but the source of the family fortune  
was vague until it emerged that the sacklers were responsible for  
making and marketing a blockbuster painkiller that was the  
catalyst for the opioid crisis empire of pain is the saga of three  
generations of a single family and the mark they would leave on  
the world a tale that moves from the bustling streets of early  
twentieth century brooklyn to the seaside palaces of greenwich  
connecticut and cap d antibes to the corridors of power in  
washington d c it follows the family s early success with valium  
to the much more potent oxycontin marketed with a ruthless
