The Life of Napoleon Bonaparte 1897

the definitive biography of the great soldier statesman by the acclaimed author of churchill and the last king of america winner of the la times book prize finalist for the plutarch prize winner of the fondation napoleon prize and a new york times bestseller a thrilling tale of military and political genius roberts is an uncommonly gifted writer the washington post austerlitz borodino waterloo his battles are among the greatest in history but napoleon bonaparte was far more than a military genius and astute leader of men like george washington and his own hero julius caesar he was one of the greatest soldier statesmen of all times andrew roberts s napoleon is the first one volume biography to take advantage of the recent publication of napoleon s thirty three thousand letters which radically transform our understanding of his character and motivation at last we see him as he was protean multitasker decisive surprisingly willing to forgive his enemies and his errant wife josephine like churchill he understood the strategic importance of telling his own story and his memoirs dictated from exile on st helena became the single bestselling book of the nineteenth century an award winning historian roberts traveled to fifty three of napoleon s sixty battle sites discovered crucial new documents in archives and even made the long trip by boat to st helena he is as acute in his understanding of politics as he is of military history here at last is a biography worthy of its subject magisterial insightful beautifully written by one of our foremost historians

Napoleon 2015-10-20

the life of napoleon bonaparte in 4 volumes is a comprehensive and meticulously written biographical account of the most notable french statesman and military leader napoleon bonaparte 1769 1821 became famous as an artillery commander during the french revolution he led many successful campaigns during the french revolutionary wars and was emperor of the french as napoleon i from 1804 until 1814 and again briefly in 1815 during the hundred days he dominated european and global affairs for more than a decade while leading france against a series of coalitions during the napoleonic wars he won many of these wars and a vast majority of his battles building a large empire that ruled over much of continental europe before its final collapse in 1815 napoleon is considered one of the greatest commanders in history and his wars and campaigns are studied at military schools worldwide his political and cultural legacy has made him one of the most celebrated and controversial leaders in human history

The Corsican 1930

napoleon died on the lonely island of st helena in 1821 his life his actions and thoughts have been written about re written and revised ever since it is noticeable that napoleon himself never left much in the way of works written by himself to record what he did or how he went about it or to justify his methods or outline his plans the works that emanated from st helena such as the memorial were written by those that shared his captivity and for their own purposes that having been said napoleon lived in a time without modern communication methods leaving his vast empire to be run via the pen much that napoleon wrote survived as a measure of this the official correspondence that he left behind is voluminous running to 32 volumes in the initial edition published under the orders of napoleon iii many other volumes were published thereafter from this vast treasure trove of information about the thoughts actions and orders that napoleon left the american historian robert johnson reconstructed his book the corsican the premise behind the books was to create a diary from napoleon s own works and utterances as if it has been written contemporaneously by the emperor himself the result is an intriguing book which is faithful to the words of it s purported owner and includes the shifting themes of his life and his hopes and fears clearly fascinating reading author napoleon i emperor of the french 1769 1821 editor robert mattsesson johnson 1867 1920

The Private Life of Napoleon 1894

best books of the year financial times the times of london history today marking the 200th anniversary of his death napoleon is an unprecedented portrait of the emperor told through his engagement with the natural world how should one envisage this subject with a great pomp of words or with simplicity charlotte brontë the death of napoleon the most celebrated general in history napoleon bonaparte 1769 1821 has for centuries attracted eminent male writers since thomas carlyle first christened him our last great man regiments of biographers have marched across the same territory weighing campaigns and conflicts military tactics and power politics yet in all this time no definitive portrait of napoleon has endured and a mere handful of women have written his biography a fact that surely would have pleased him with napoleon ruth scurr one of our most eloquent and original historians emphatically rejects the shibboleth of the great man theory of history instead following the dramatic trajectory of napoleon s life through gardens parks and forests as scurr reveals gardening was the first and last love of napoleon offering him a retreat from the manifold frustrations of war and politics gardens were at the same time a mirror image to the battlefields on which he fought discrete settings in which terrain and weather were as important as they were in combat but for creative rather than destructive purposes drawing on a wealth of contemporary and historical scholarship and taking us from his early days at the military school in brianne le château through his canny seizure of power and eventual exile napoleon frames the general s story through the green spaces he cultivated amid corsican olive groves ornate menageries in paris and lone garden plots on the island of saint helena scurr introduces a diverse cast of scientists architects family members and gardeners all of whom stood in the shadows of napoleon s meteoric rise and fall building a cumulative panorama she offers indelible portraits of augustin bon joseph de robespierre the younger brother of maximilien robespierre who used his position to advance napoleon s career marianne peusol the fourteen year old girl manipulated into a christmas eve assassination attempt on napoleon that resulted in her death and emmanuel comte de las cases the atlas maker to whom napoleon dictated his memoirs as scurr contends napoleon s dealings with these people offer unusual and unguarded opportunities to see how he grafted a new empire onto the remnants of the ancien régime and the french revolution epic in scale and novelistic in its detail napoleon with stunning illustrations is a work of revelatory range and depth revealing the contours of the general s personality and power as no conventional biography can

Memoirs of the Public and Private Life of Napoleon Bonaparte 1827

from alan forrest a preeminent british scholar comes an exceedingly readable account of the man and his legend on a cold december day in 1840 parisians turned out in force to watch as the body of napoleon was solemnly carried on a riverboat from courbevoie on its final journey to the invalides the return of their long dead emperor s corpse from the island of st helena was a moment that paris had eagerly awaited though many feared that the memories stirred would serve to further destabilize a country that had struggled for order and direction since he had been sent into exile in this book alan forrest tells the remarkable story of how the son of a corsican attorney became the most powerful man in europe a man whose charisma and legacy endured after his lonely death many thousands of miles from the country whose fate had become so entwined with his own along the way forrest also cuts away the many layers of myth and counter myth that have grown up around napoleon a man who mixed history and legend promiscuously drawing on original research and his own distinguished background in french history forrest demonstrates that napoleon was as much a product of his times as their creator

The Corsican 1993

the story of napoleon by harold wheeler is a comprehensive and engaging biography of the legendary french military leader napoleon bonaparte wheeler s narrative takes readers on a captivating journey through napoleon s life from his early years to his rise to power and eventual downfall the book delves into napoleon s military campaigns political maneuvers and impact on european history wheeler s meticulous research and vivid storytelling make the story of napoleon an informative and absorbing read for those fascinated by the life and legacy of this iconic figure

The Corsican: A Diary of Napoleon's Life in His Own Words 2022-10-26

the life of napoleon i complete by j holland rose napoleon bonaparte is a controversial figure in history often remembered as a megalomaniac with a thirst for power his life is actually much more complex rose abides by some of the typical frames of thought when it comes to this figure but this book still takes a closer look at napoleon s life it shows that this man loved his country and wasn t as short as people think

Memoirs of the Public and Private Life of Napoleon Bonaparte 1826

this is a new release of the original 1895 edition

Corsican 1910

excerpt from life of napoleon bonaparte the publishers believe that in adding the life of napoleon bonaparte to their biographical series they are supplying a want that has long been felt by the public although several works have issued from the english press in which the extraordinary career of napoleon has been treated at great length and although many disputed passages in his history have received the most minute and searching investigation the publishers are not acquainted with any volume which within a moderate compass and at a small price contains the essence of the researches of late years and gives a fair and complete account of the life of the french soldier and statesman the present work is intended to supply the deficiency the re establishment of the napoleon dynasty in france served to increase the interest in the life and fortunes of the founder of this wonderful family in these pages it is hoped that a fitting memorial will be found of that hero who was once the terror of the nations and whose deeds have since attracted the attention of the world about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Boy Life of Napoleon, Afterwards Emperor of the French 2022-09-04

on a cold december day in 1840 parisians turned out in force to watch as napoleon s coffin was solemnly borne down the champs elysées on its final journey to the invalides the return of the emperor s body from the island of st helena nearly twenty years after his death was a moment they had eagerly awaited though there were many who feared that the memories stirred would only further destabilize a country that had struggled for order and direction since the little corporal was sent into exile after waterloo alan forrest tells the remarkable story of how the son of a corsican attorney became the most powerful man in europe a man whose political legacy endured long after his lonely death many thousands of miles from france along the way he cuts away the layers of myth and counter myth that have grown up around napoleon a man who mixed history and legend promiscuously and shows how he was as much a product of his times as he was their creator the convulsive effect of the revolution on french society and the new meritocracy it ushered in afforded men of this generation opportunities that were unimaginable under the ancien régime napoleon seized every chance that was offered him making full use of his undoubted abilities and charismatic presence but the empire he created stretching across most of the european continent was not the work of one man it was a collective enterprise that depended on the work and vision of thousands of administrators army officers jurists and educators and the age of napoleon is as much their story as his in a book that takes in everything from napoleon s ill fated expedition to egypt to the festivals that punctuated the imperial calendar alan forrest draws on original research and recent scholarship to draw a fresh and compelling picture of one of the most dramatic periods in the history of europe

Napoleon 2012-12-11

The Story of Napoleon 2023-10-26

almost two centuries since his death napoleon bonaparte remains the subject of vigorous debate on one side are those with a romantic attachment to ideals of liberty and democracy on the other are those who would rather see him as an ambitious warlord bent on establishing a colonial empire in the heart of europe 30 second napoleon takes in both viewpoints presenting an engrossing introduction to one of the most recognizable figures in history and one of extraordinary interest whichever point of view you take romantic or pragmatic one who did much to modernize europe and who stood for both a powerful state and for rational and efficient government plus such principles as equality before the law and the career open to talent achievements that explain his continued fascination for so many people

The Corsican 2013-10

american historian william milligan sloane wrote a history of napoleon bonaparte titled the life of napoleon bonaparte napoleon s life from his exile on saint helena in 1815 to his death in 1821 is continued in the third book sloane covers all aspects of napoleon s exile including his encounters with his british captors and his musings on his life and legacy the political atmosphere in europe following napoleon s fall and the effects of his dominance are additional topics covered in the book like in the earlier volumes sloane paints a nuanced and complex picture of napoleon examining both his virtues and vices overall the life of napoleon bonaparte is an in depth biography that captures the attention of readers and gives a thorough description of one of the most significant characters in modern history
