russia from the american embassy april 1916 november 1918 1921 this analysis of britains war policy during the last years of the great war argues that it was strongly affected by a mood of pessimism the policy was revised after the defeats suffered by the allies in 1917 so much so that britain almost tumbled into peace the following year this work explores the different ways civilians work and function in a war situation and broadens our understanding of the civilian to encompass munitions workers nurses laundresses refugees aid workers and children who lived and worked in occupied zones on home and battle fronts and in the spaces in between global in scope spanning the eastern western italian east african and mediterranean fronts the author examines in detail the role of experts in the war the use of forced labor and the experiences of children in the combatant countries as in many wars civilians on both sides of wwi were affected and vast displacements of the populations shaped the contemporary world in countless ways redrawing boundaries and creating or reviving lines of ethnic conflict a fascinating encyclopedic survey of the spanish cuban american war the philippine war and the small wars between 1899 and the end of the occupation of haiti in 1934 the name changes themselves are instructive the usage of spanish american war ignores the fact that the war in cuba had been largely won by the cuban revolutionaries before us intervention hence the new title spanish cuban american war the use of philippine insurrection is replaced by philippine war since the philippine forces had taken much of the islands from spain before us ground forces arrived and guerillas or revolutionaries have replaced bandits the term used by the us to discredit oppositional forces annotation copyright by book news inc portland or this new collection of documents helps students understand the complex

texture of russian public rhetoric and popular debate during world war i and the 1917 revolution how better to understand history than through the words of those who lived it competing voices from the russian revolution fighting words presents documents that underscore the extraordinary richness of public discussion about key events and issues during the 1917 russian revolution one of the pivotal events in modern history carefully edited and annotated the documents help clarify the issues while revealing the broad range of ways in which russians understood the events unfolding around them focusing on public rhetoric and debate in russia from the outbreak of world war i in 1914 through the dissolution of the constituent assembly in january 1918 the documents present the views not only of key political figures but also of ordinary men and women mothers soldiers factory workers peasants students businesspeople and educated professionals first published in 1998 routledge is an imprint of taylor francis an informa company in 1916 in an exchange of human flesh for war material the russian government sent to france two brigades to fight on the side of their french allies by the end of world war i these two brigades had experienced their own form of the russian revolution had been isolated at a southern training post in a discipline move by the french government had battled against each other in what was one of the first confrontations of the russian civil war and had emerged from the conflict as a single force the russian legion of honor which would remain loyal to france until the end of the war the remarkable story of these russian soldiers has been overlooked by historians until now jamie cockfield here explores the journey and transformation of these men and in so doing he examines the impact of the revolution on the russians who were caught in the middle of wartime alliances and nationalist ardor by ignoring gender issues historians have failed to understand how efforts to control women and women s reactions to these efforts have shaped political and social institutions and thus influenced the course of russian and soviet history these original essays challenge a host of traditional assumptions by integrating women into the russian past using recent advances in the study of gender the family class and the status of women the authors examine various roles of russian women and offer a broad overview of a vibrant and growing field this volume brings together two classic works on the culture of the russian people which have been

long out of print gorers s great russian culture and mead s soviet attitudes towards authority an interdisciplinary approach to problems of soviet character were among the first attempts by anthropologists to analyze russian society they were influential both for several generations of anthropologists and in shaping american governmental attitudes toward the soviet union during the cold war period additionally they offer fascinating insights into the early anthropological use of psychological data to analyze cultural patterns read as part of the history of the anthropology of complex contemporary societies they are as fascinating for their more questionable conclusions as for their accurate characterizations of russian life intertwining the stories of three leading early twentieth century radical americans this book presents the enthralling tale of the too short lives of inez milholland randolph bourne and john reed it highlights the movements and personal experiences that drew such privileged individuals to the american left willing to sacrifice comfortable circumstances and opportunities as writers and activists the trio became leading spokespersons for feminism sexual liberation unions civil liberties pacifism internationalism socialism anarchism and in reed s case communism challenging capitalism patriarchy and the nation state the independently minded milholland bourne and reed possessed a twofold commitment to personal liberation and community with their early deaths they left behind personal models for acting living and thinking afresh one could say they became martyrs to the very movements they championed edith base s letters to her pen pal phylabe houston in greeley colorado are an unwittingly and perhaps for that reason fascinating historical document of the day to day life of a londoner from 1941 to 1947 with great humor and astute observation she explains to her pal how people coped during the war years describes her patrols as an air raid warden the darkly humorous social organization of the shelters and the more mundane life details that simply underscore the eerie normality that arises in extraordinary situations lacks an index annotation copyright by book news inc portland or world war i was the greatest cataclysm europe had ever known directly involving 61 million troops from 16 nations yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized written by highly respected authorities this book discusses the literature on all aspects of

the war making it an excellent starting point for anyone seeking guidance to the immense and often daunting body of world war i literature the struggle mobilized manpower from home troops from the colonies abroad and in most countries women as well as men governments increasingly intervened in everyday life new weapons and organizational structures were developed yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized written by highly respected authorities this book discusses the literature on all aspects of the war dennis showalter s opening chapter covers the controversial issue of the war s origins a complex subject that has been much debated by historians ensuing chapters consider the literature on each of the participating countries the broader subjects of the war at sea and the war in the air are also covered daniel beaver s final chapter discusses the mobilization of industry and the new military technology this book is an excellent starting point for anyone seeking guidance to the immense and often daunting body of world war i literature explores five case studies in britain the ussr germany and italy to determine whether or not propaganda films reached the audiences at which they were targeted and where they did whether the films made the impact on those audiences that the propagandists had expected intermarriage from central europe to central asia examines the practice and experience of interethnic marriage in a range of countries and eras from imperial germany to present day tajikistan in this interdisciplinary volume adrienne edgar and benjamin frommer have drawn contributions from anthropologists and historians the contributors explore the phenomenon of intermarriage both from the top down in the form of state policies and official categories and from the bottom up through an intimate look at the experience and agency of mixed families in modern states determined to control the lives and identities of their citizens to an unprecedented degree contributors address the tensions between state ethnic categories and the subjective identities of individuals the status of mixed individuals and families in a region characterized by continual changes in national borders and regimes and the role of intermarried couples and their descendants in imagining supranational communities the first of its kind intermarriage from central europe to central asia is a foundational text for the study of intermarriage and ethnic mixing in eastern

europa and eurasia russia's own orient examines how intellectuals in early twentieth century russia offered a new and radical critique of the ways in which oriental cultures were understood at the time out of the ferment of revolution and war a group of scholars in st petersburg articulated fresh ideas about the relationship between power and knowledge and about europe and asia as mere political and cultural constructs their ideas anticipated the work of edward said and post colonial scholarship by half a century the similarities between the two groups were in fact genealogical said was indebted via arab intellectuals of the 1960s who studied in the soviet union to the revisionist ideas of russian orientologists of the fin de siècle but why did this body of russian scholarship of the early twentieth century turn out to be so innovative should we agree with a popular claim of the russian elites about their country's particular affinity with the orient there is no single answer to this question the early twentieth century was a period when all over europe a fascination with things oriental engendered the questioning of many nineteenth century assumptions and prejudices in that sense the revisionism of russian orientologists was part of a pan european trend and yet tolz also argues that a set of political social and cultural factors which were specific to russia allowed its imperial scholars to engage in an unusual dialogue with representatives of the empire's non european minorities it is together that they were able to articulate a powerful long lasting critique of modern imperialism and colonialism and to shape ethnic politics in russia across the divide of the 1917 revolutions publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews extraordinarily it was men born in the former russian empire that constituted the most numerous group in the first

australian imperial force after those of anglo celtic background this book a history of russin multiethnic communities in australia follows the hidden lives of these anzacs through and beyond the war collection of incunabula and early medical prints in the library of the surgeon general's office u s army ser 3 v 10 p 1415 1436 j butler wright brought his young bride and son to russia in the fall of 1916 to take up duties as counselor to the american embassy in petrograd he had no idea that he would soon witness one of the most amazing events in history the collapse of imperial russia and the advent of the soviet union recording daily events and

observations in his diary wright left a vivid description of the day to day uncertainty in revolutionary russia and american activities during this chaotic time this account demonstrates how confused and dangerous diplomatic representation can be during times of crisis while often missing the mark in what was happening in russia wright and his fellow diplomats fulfilled their duty diligently from an official audience with the tsar in early 1917 to a fantastic journey across russia on the trans siberian railway in 1918 wright recorded his observations on events people culture intrigue danger and the normal occurrences of daily life throughout it all wright remained dedicated to his duty as an american representative and constantly searched for an effective american reaction to what was happening in russia on a personal level however wright s concern for the safety of his wife and son during this chaotic time reveals that it was not always about duty to country in the political power of bad ideas mark schrad uses one of the greatest oddities of modern history the broad diffusion throughout the western world of alcohol control legislation in the early twentieth century to make a powerful argument about how bad policy ideas achieve international success his could an idea that was widely recognized by experts as bad before adoption and which ultimately failed everywhere come to be adopted throughout the world to answer the question schrad utilizes an institutionalist approach and focuses in particular on the united states sweden and russia the ussr conventional wisdom based largely on the u s experience blames evangelical zealots for the success of the temperance movement yet as schrad shows ten countries along with numerous colonial possessions enacted prohibition laws in virtually every case the consequences were disastrous and in every country the law was ultimately repealed schrad concentrates on the dynamic interaction of ideas and political institutions tracing the process through which concepts of dubious merit gain momentum and achieve credibility as they wend their way through institutional structures he also shows that national policy and institutional environments count the policy may have been broadly adopted but countries dealt with the issue in different ways while the political power of bad ideas focuses on one legendary episode its argument about how and why bad policies achieve legitimacy applies far more broadly it also extends beyond the simplistic notion that ideas matter to show how they influence institutional

contexts and interact with a nation s political actors institutions and policy dynamics

*Russia from the American Embassy, April, 1916-November, 1918* 1921 russia from the american embassy april 1916 november 1918 1921

*Pessimism and British War Policy, 1916-1918* 2014-05-22 this analysis of britains war policy during the last years of the great war argues that it was strongly affected by a mood of pessimism the policy was revised after the defeats suffered by the allies in 1917 so much so that britain almost tumbled into peace the following year

*Civilians in a World at War, 1914-1918* 2010-08-30 this work explores the different ways civilians work and function in a war situation and broadens our understanding of the civilian to encompass munitions workers nurses laundresses refugees aid workers and children who lived and worked in occupied zones on home and battle fronts and in the spaces in between global in scope spanning the eastern western italian east african and mediterranean fronts the author examines in detail the role of experts in the war the use of forced labor and the experiences of children in the combatant countries as in many wars civilians on both sides of wwi were affected and vast displacements of the populations shaped the contemporary world in countless ways redrawing boundaries and creating or reviving lines of ethnic conflict

*The War of 1898, and U.S. Interventions, 1898-1934* 1994 a fascinating encyclopedic survey of the spanish cuban american war the philippine war and the small wars between 1899 and the end of the occupation of haiti in 1934 the name changes themselves are instructive the usage of spanish american war ignores the fact that the war in cuba had been largely won by the cuban revolutionaries before us intervention hence the new title spanish cuban american war the use of philippine insurrection is replaced by philippine war since the philippine forces had taken much of the islands from spain before us ground forces arrived and guerillas or revolutionaries have replaced bandits the term used by the us to discredit oppositional forces annotation copyright by book news inc portland or

*Competing Voices from the Russian Revolution* 2010-12-21 this new collection of documents helps students understand the

complex texture of russian public rhetoric and popular debate during world war i and the 1917 revolution how better to understand history than through the words of those who lived it competing voices from the russian revolution fighting words presents documents that underscore the extraordinary richness of public discussion about key events and issues during the 1917 russian revolution one of the pivotal events in modern history carefully edited and annotated the documents help clarify the issues while revealing the broad range of ways in which russians understood the events unfolding around them focusing on public rhetoric and debate in russia from the outbreak of world war i in 1914 through the dissolution of the constituent assembly in january 1918 the documents present the views not only of key political figures but also of ordinary men and women mothers soldiers factory workers peasants students businesspeople and educated professionals

**Reference Guide to Russian Literature** 1998 first published in 1998 routledge is an imprint of taylor francis an informa company

With Snow on Their Boots 1999-07-02 in 1916 in an exchange of human flesh for war material the russian government sent to france two brigades to fight on the side of their french allies by the end of world war i these two brigades had experienced their own form of the russian revolution had been isolated at a southern training post in a discipline move by the french government had battled against each other in what was one of the first confrontations of the russian civil war and had emerged from the conflict as a single force the russian legion of honor which would remain loyal to france until the end of the war the remarkable story of these russian soldiers has been overlooked by historians until now jamie cockfield here explores the journey and transformation of these men and in so doing he examines the impact of the revolution on the russians who were caught in the middle of wartime alliances and nationalist ardor

**Russia's Women** 2023-09-01 by ignoring gender issues historians have failed to understand how efforts to control women and women s reactions to these efforts have shaped political and social institutions and thus influenced the course of russian and soviet history these original essays challenge a host of traditional assumptions by integrating women into the russian past using

recent advances in the study of gender the family class and the status of women the authors examine various roles of russian women and offer a broad overview of a vibrant and growing field

**Papers Relating to the Foreign Relations of the United States 1931** this volume brings together two classic works on the culture of the russian people which have been long out of print gorner s great russian culture and mead s soviet attitudes towards authority an interdisciplinary approach to problems of soviet character were among the first attempts by anthropologists to analyze russian society they were influential both for several generations of anthropologists and in shaping american governmental attitudes toward the soviet union during the cold war period additionally they offer fascinating insights into the early anthropological use of psychological data to analyze cultural patterns read as part of the history of the anthropology of complex contemporary societies they are as fascinating for their more questionable conclusions as for their accurate characterizations of russian life

**Russian Culture 2001-07-01** intertwining the stories of three leading early twentieth century radical americans this book presents the enthralling tale of the too short lives of inez milholland randolph bourne and john reed it highlights the movements and personal experiences that drew such privileged individuals to the american left willing to sacrifice comfortable circumstances and opportunities as writers and activists the trio became leading spokespersons for feminism sexual liberation unions civil liberties pacifism internationalism socialism anarchism and in reed s case communism challenging capitalism patriarchy and the nation state the independently minded milholland bourne and reed possessed a twofold commitment to personal liberation and community with their early deaths they left behind personal models for acting living and thinking afresh one could say they became martyrs to the very movements they championed

**Martyrs of the Early American Left 2023-04-12** edith base s letters to her pen pal phylabe houston in greeley colorado are an unwittingly and perhaps for that reason fascinating historical document of the day to day life of a londoner from 1941 to 1947 with great humor and astute observation she explains to her pal how people coped during the war years describes her patrols as an air

raid warden the darkly humorous social organization of the shelters and the more mundane life details that simply underscore the eerie normality that arises in extraordinary situations lacks an index annotation copyright by book news inc portland or

The Russian Empire and Soviet Union 1981 world war i was the greatest cataclysm europe had ever known directly involving 61 million troops from 16 nations yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized written by highly respected authorities this book discusses the literature on all aspects of the war making it an excellent starting point for anyone seeking guidance to the immense and often daunting body of world war i literature the struggle mobilized manpower from home troops from the colonies abroad and in most countries women as well as men governments increasingly intervened in everyday life new weapons and organizational structures were developed yet the history of the war and the reasons it started and spread so rapidly were vastly more complex than the players realized written by highly respected authorities this book discusses the literature on all aspects of the war dennis showalter s opening chapter covers the controversial issue of the war s origins a complex subject that has been much debated by historians ensuing chapters consider the literature on each of the participating countries the broader subjects of the war at sea and the war in the air are also covered daniel beaver s final chapter discusses the mobilization of industry and the new military technology this book is an excellent starting point for anyone seeking guidance to the immense and often daunting body of world war i literature

The Russian Tragedy 1996 explores five case studies in britain the ussr germany and italy to determine whether or not propaganda films reached the audiences at which they were targeted and where they did whether the films made the impact on those audiences that the propagandists had expected

Yearbook of the United States Department of Agriculture 1919 intermarriage from central europe to central asia examines the practice and experience of interethnic marriage in a range of countries and eras from imperial germany to present day tajikistan in this interdisciplinary volume adrienne edgar and benjamin frommer have drawn contributions from anthropologists and historians

the contributors explore the phenomenon of intermarriage both from the top down in the form of state policies and official categories and from the bottom up through an intimate look at the experience and agency of mixed families in modern states determined to control the lives and identities of their citizens to an unprecedented degree contributors address the tensions between state ethnic categories and the subjective identities of individuals the status of mixed individuals and families in a region characterized by continual changes in national borders and regimes and the role of intermarried couples and their descendants in imagining supranational communities the first of its kind intermarriage from central europe to central asia is a foundational text for the study of intermarriage and ethnic mixing in eastern europe and eurasia

*Researching World War I* 2003-12-30 russia's own orient examines how intellectuals in early twentieth century russia offered a new and radical critique of the ways in which oriental cultures were understood at the time out of the ferment of revolution and war a group of scholars in st petersburg articulated fresh ideas about the relationship between power and knowledge and about europe and asia as mere political and cultural constructs their ideas anticipated the work of edward said and post colonial scholarship by half a century the similarities between the two groups were in fact genealogical said was indebted via arab intellectuals of the 1960s who studied in the soviet union to the revisionist ideas of russian orientologists of the fin de siècle but why did this body of russian scholarship of the early twentieth century turn out to be so innovative should we agree with a popular claim of the russian elites about their country's particular affinity with the orient there is no single answer to this question the early twentieth century was a period when all over europe a fascination with things oriental engendered the questioning of many nineteenth century assumptions and prejudices in that sense the revisionism of russian orientologists was part of a pan european trend and yet tolz also argues that a set of political social and cultural factors which were specific to russia allowed its imperial scholars to engage in an unusual dialogue with representatives of the empire's non european minorities it is together that they were able to articulate a powerful long lasting critique of modern imperialism and colonialism and to shape ethnic politics in russia across the divide of the

1917 revolutions

The Power of Film Propaganda 2004-01-01 publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews

Intermarriage from Central Europe to Central Asia 2020-06-01 extraordinarily it was men born in the former russian empire that constituted the most numerous group in the first australian imperial force after those of anglo celtic background this book a history of russin multiethnic communities in australia follows the hidden lives of these anzacs through and beyond the war

Munitions Industry: September 4-6, 1934. Electric Boat Co 1937 collection of incunabula and early medical prints in the library of the surgeon general s office u s army ser 3 v 10 p 1415 1436

Library of Congress Subject Headings 2011 j butler wright brought his young bride and son to russia in the fall of 1916 to take up duties as counselor to the american embassy in petrograd he had no idea that he would soon witness one of the most amazing events in history the collapse of imperial russia and the advent of the soviet union recording daily events and observations in his diary wright left a vivid description of the day to day uncertainty in revolutionary russia and american activities during this chaotic time this account demonstrates how confused and dangerous diplomatic representation can be during times of crisis while often missing the mark in what was happening in russia wright and his fellow diplomats fulfilled their duty diligently from an official audience with the tsar in early 1917 to a fantastic journey across russia on the trans siberian railway in 1918 wright recorded his observations on events people culture intrigue danger and the normal occurrences of daily life throughout it all wright remained dedicated to his duty as an american representative and constantly searched for an effective american reaction to what was happening in russia on a personal level however wright s concern for the safety of his wife and son during this chaotic time reveals that it was not always about duty to country

Russia's Own Orient 2011-02-10 in the political power of bad ideas mark schrad uses one of the greatest oddities of modern

history the broad diffusion throughout the western world of alcohol control legislation in the early twentieth century to make a powerful argument about how bad policy ideas achieve international success his could an idea that was widely recognized by experts as bad before adoption and which ultimately failed everywhere come to be adopted throughout the world to answer the question schrad utilizes an institutionalist approach and focuses in particular on the united states sweden and russia the ussr conventional wisdom based largely on the u s experience blames evangelical zealots for the success of the temperance movement yet as schrad shows ten countries along with numerous colonial possessions enacted prohibition laws in virtually every case the consequences were disastrous and in every country the law was ultimately repealed schrad concentrates on the dynamic interaction of ideas and political institutions tracing the process through which concepts of dubious merit gain momentum and achieve credibility as they wend their way through institutional structures he also shows that national policy and institutional environments count the policy may have been broadly adopted but countries dealt with the issue in different ways while the political power of bad ideas focuses on one legendary episode its argument about how and why bad policies achieve legitimacy applies far more broadly it also extends beyond the simplistic notion that ideas matter to show how they influence institutional contexts and interact with a nation s political actors institutions and policy dynamics
