the book provides systematic development of students listening and  
speaking skills it also offers excellent preparation for the revised  
cambridge first certificate examination for december 2008 or any other  
examinations at the same level the book is divided into two parts part  
a consists of ten complete listening tests the recordings are based on  
authentic listening material and make use of various accents and sound

effects part b consists of ten speaking tests and covers a wide variety of topics such as holidays entertainment etc each speaking test is preceded by a preparing for the speaking test section in this section students are familiarised with the essential language vocabulary useful expressions discourse markers etc and ideas necessary for the test itself students are also trained to organise their speech coherently and to display an appropriate variety of linguistic resources there are also two additional speaking tests at the end of the book to prepare students to meet the requirements of the exam class audio cds include instructions pauses and repeats creating genuine exam conditions
