network access infrastructure rest apis wireless systems and designing network security automate networks with python json yang data models dna center vmanage rest apis eem applets configuration management and orchestration master enterprise network design architecture deploy wlans compare on prem and cloud infrastructure implement sd wan sd access qos and switching use basic virtualization virtual pathing and virtual network extensions perform network assurance tasks troubleshoot and monitor networks work with ip sla dna center netconf and restconf this ebook edition of ccnp and ccie enterprise core encor 350 401 exam cram does not include access to the companion website with practice exam s included with the print or premium edition

## CCIE Security Practice Labs

2004

annotation ccie security practice labs provides a series of complete practice labs that mirror the difficult hands on lab exam written by a ccie security engineer and cisco systems ccie proctor this book lays out seven end to end scenarios that are both complex and realistic providing you with the practice needed to prepare for your lab examination and develop critical thinking skills that are essential for resolving complex real world security problems while many engineers are able to configure single technologies in standalone environments most will struggle when dealing with integrated technologies in heterogeneous environments ccie security practice labs consists of seven full blown labs the book does not waste time covering conceptual knowledge found in other security manuals but focuses exclusively on these complex scenarios the structure of each chapter is the same covering a broad range of security topics each chapter starts with an overview equipment list and general guidelines and instructions on setting up the lab topology including cabling instructions and concludes with verification hints and troubleshooting tips which highlight show and debug commands the companion cd rom contains solutions for all of the labs including configurations and common show command output from all the devices in the topology book jacket title summary field provided by blackwell north america inc all rights reserved
