Chukchi Sea Oil & Gas Lease Sale 126

1990

since the 1980s the world s governments have decreased state welfare and thus increased the number of unprotected informal or precarious workers as a result more and more workers do not receive secure wages or benefits from either employers or the state this book offers a fresh and provocative look into the alternative social movements informal workers in india are launching it also offers a unique analysis of the conditions under which these movements succeed or fail drawing from 300 interviews with informal workers government officials and union leaders rina agarwala argues that indian informal workers are using their power as voters to demand welfare benefits from the state rather than demanding traditional work benefits from employers in addition they are organizing at the neighborhood level rather than the shop floor and appealing to citizenship rather than labor rights
