Manual of Medical-surgical Nursing Care

2007

excerpt from a manual of medical treatment or clinical therapeutics vol 1 sums the publication of the first edition of this work in 1893 it has been the author s privilege to receive from all parts of the empire the most flattering acknowledgments of its value and usefulness and it now becomes his first duty to return his warmest thanks to the medical profession for their gratifying estimate of his labours the preparation of a new and revised edition which he might hope would be in some respects worthy of the very favourable reception accorded to its predecessor has been no light task about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Merck Manual of Medical Information

2004
