this book focuses on the different aspects that contributed to the development

of northeast american sports car racing during the 1950s the evolution from amateur drivers racing on public roads in 1950 to both professional and amateur drivers racing at private purpose built tracks in 1959 demanded huge leaps of faith trust and understanding the transition was neither easy nor uneventful for drivers clubs or track owners and the tragedy politics and intrigue that came to characterize the period are covered here in fascinating detail
