at some point i decided to try and keep a journal as i went through the process i did not remember every day but i believe i captured the stages as i wrote this book i tried to cover the depression the loneliness and isolation i felt at times to accept what was happening and do the best i could my hope is that this book will help someone else who is a caregiver know that they are not alone and they will get through it stronger than they were before my faith in god and reading a daily bible verse for inspiration helped me as well yes there were days when i felt that god had abandoned me even though in my heart i knew he had not while caring for my spouse i was unable to find a resource to help me through the different stages of being a 24 7 lone caregiver
