for parents understanding the sense connection enhances
the skills needed to raise happy well adjusted children who
will become successful emotionally balanced adults for
spouses or lovers gaining insight into the ways in which
primary sense channels compliment and conflict with each
other can shift the balance from discord to harmony and for
friends and co workers a firmer grasp of how we as
individuals view the world could mean more fulfilling and
productive relationships and careers can understanding
others be as simple as identifying their primary sense
channels and adjusting accordingly naturally the sense mode
does not define the entire personality but it can offer you
some useful short cuts to understanding consider the many
ways we put ourselves and others into neat tidy limiting
pigeonholes we ve heard so many of these expressions what
do you do where are you from what s your sign these
categorizations are merely stereotypes whether professional
regional ethnic astrological or even the result of the myers
