straight from the heart real life couples share inspiring edifying stories of mars and venus in love millions of readers have learned about relationships from john gray s previous bestsellers such as men are from mars women are from venus mars and venus on a date and mars and venus in the bedroom inspired by this enthusiasm gray asked a number of readers to share their own stories of how they ve put his principles to work in their relationships the result is this amazing collection of first person accounts along with gray s own enlightening commentary that will have you laughing crying and nodding in recognition gray s contributors answer such questions as what problems have you had in your relationship and how have you overcome them what special things do you and your partner do for each other how do you best communicate with each other how do you practice what you ve learned how does your love feel different now from how it felt before their answers illustrate more eloquently than any textbook how to use gray s advice and counsel to create your own fulfilling healthy and loving relationships

## **Mars And Venus Starting Over**

2012-02-29

the fictions that shape men s lives is structured around a number of key fictions of masculinity such as beliefs in biological determinism the inevitability of men s violence and the opposition of the sexes and proceeds to expose them to be wholly or partially unfounded examining the social pressure to behave and experience the self in ways that culture prescribes for the bodies we are perceived as having this book provides an awareness of widely held but distorted assumptions of gender it also seeks to put men into the position to resist masculine social pressures when conforming to it conflicts with important life goals or values and or causes harm making use of an informal storytelling style provides an accessibility to those interested in breaking down their preconceptions of gender and masculinity as well making links to key theories and concepts this is a lively and engaging book for undergraduates studying introduction to gender sexuality and masculinity courses

## **Blending Families**

2011-08

the phenomenal 1 new york times bestseller in his classic guide to understanding the opposite sex dr john gray

provides a practical and proven way for men and women to improve their communication and relationships by acknowledging the differences between them once upon a time martians and venusians met fell in love and had happy relationships together because they respected and accepted their differences then they came to earth and amnesia set in they forgot they were from different planets based on years of successful counseling of couples and individuals men are from mars women are from venus has helped millions of couples transform their relationships now viewed as a modern classic this timeless book has helped men and women realize how different they can be in their communication styles their emotional needs and their modes of behavior and offers the secrets of communicating without conflicts allowing couples to give intimacy every chance to grow

## **How To Get What You Want And Want What You Have**

2011-11-30

dr seuss s classic character the lorax has delighted children for decades while passing along a powerful message about environmental responsibility the book s young readers and their parents would likely be surprised by the emergence of a new character truxa a kindly logger created by a longtime employee of the wood products industry who not surprisingly has a far different viewpoint to share yet the truxa character and the book of the same name is just one example of a growing genre of conservative themed narratives for young readers spawned by the continuing strength of the american political right highlighting the works of william bennett lynne cheney bill o reilly and others michelle ann abate brings together such diverse fields as cultural studies literary criticism political science childhood studies brand marketing and the cult of celebrity raising your kids right dispels lingering societal attitudes that narratives for young readers are unworthy of serious political study by examining a variety of texts that offer information ideology and even instructions on how to raise kids right not just figuratively but politically

## **Who Killed Iago?**

2009-06-02

kidding around the child in film and media is a collection of essays generated by a conference of the same title held at the university of the district of columbia the works gathered examine a variety of children s media including texts produced for children e g children s books cartoons animated films as well as texts about children e g feature length films literature playground architecture parenting guides the primary goal of kidding around is to analyze and contextualize contested representations of childhood and children in various twentieth and twenty first century media while accounting for the politics of these narratives each of the essays gathered offers a critical history of the very notion of childhood at the same time as it analyzes exemplary children s texts from the twentieth and twenty first centuries these chapters depart from various methodological approaches including psychoanalytic sociological ecological and historical perspectives offering the reader numerous productive approaches for analyzing the moments of cultural conflict and impasse found within the primary works studied despite the fact that today children are one of the most coveted demographics in marketing and viewership academic work on children s media and children in media is just beginning kidding around assembles experts from this inchoate field opening discussion to traditional and non traditional children s texts

## **How To Live For Change And Change For Life**

2012-01-31
