

Free pdf Answering jehovahs witnesses subject by subject Full PDF

this book guides christians to discuss non biblical issues with jehovah s witnesses subject by subject in a non confrontational manner a catholic response to the jehovahs witnesses is a departure from the authors usual subject of books and articles on aspects of catholic spirituality having met with many witnesses over the years she was prompted to write the book as a response to them it also addresses the concern many catholics have as to how to engage with witnesses and how they might evaluate their teachings it is written in an informal style to introduce readers to the various aspects of the doctrines of the jehovahs witnesses and how a catholic might respond to them from their own tradition and the theology of the catholic church jehovah s witnesses have a unique vocabulary incomprehensible to outsiders they also use familiar christian terms to mean something different from standard usage this book is a dictionary of such j w ese language moreover it explains how jws engage in doubletalk when speaking with outsiders and tells the reader how to break through that doubletalk to share the gospel of christ with those trapped inside the cult david a reed has authored more than a dozen books including answering jehovah s witnesses subject by subject and the popular jehovah s witnesses answered verse by verse a history of the watchtower bible tract society jehovah s witnesses from their origins in the 1870s up to the mid 1960s long out of print now in a second edition this title was originally published using the pen name timothy white in her breakthrough book knock knock shedding light on jehovah s witnesses at the door born again author ruth baker uses her twenty years of experience as a jehovah s witness to unveil the mystery of this obscure cult this shocking testimony will not only equip christians to properly protect themselves their families and friends from the unseen forces of darkness but will also challenged them to boldly defend the truth with confidence and love this book is an essential weapon in preparing for the next knock knock privatization the transfer of responsibility for public services from the public to the private sector currently evokes intense interest from policy makers to its advocates privatization conjures up visions of a lean streamlined public sector reliant upon the private marketplace for the delivery of public services to opponents it conjures up visions of a beleaguered government bureaucracy ceding vital public services to unreliable entrepreneurs at best privatization can reduce the costs of government and introduce new possibilities for the better delivery of services at worst it may undermine equity quality and accountability in privatization and its alternatives distinguished scholars from several social science disciplines evaluate privatization efforts in the united states and abroad and at different levels of government federal state and local they look primarily at three important policy areas education housing and law enforcement that sharply illustrate the dilemmas facing policy makers as the debate about

privatization shifts from the delivery of hard services such as refuse collection to human services contributors have very different perspectives some are enthusiastic about privatization others are very skeptical indeed none of these papers has been published elsewhere the volume developed from a 1987 conference on privatization sponsored by the la follette institute of public affairs at the university of wisconsin madison a particular strength of this collection lies in its consideration of alternative forms of service delivery the privatization of public housing for instance may involve subsidies to the poor vouchers tenant management a hybrid form of privatization or outright sale how and how well have such policies worked examples from other countries may prove especially enlightening the english sale of public housing to tenants is one of the largest asset sales in the entire privatization movement australia has experimented with public subsidies to private schools and japan has experimented with the privatization of law enforcement and corrections these issues are the subject of lively public debate in the united states today and are discussed at length in this volume thus privatization and its alternatives speaks not only to scholars of public policy but also to a wide range of practitioner who must decide whether or how to privatize what would happen if i accepted an invitation to bible study from jehovah s witnesses what would attending a kingdom hall meeting involve and if i invited door knocking witnesses into my home this book introduces jehovah s witnesses without assuming prior knowledge of the watch tower organization after outlining the society s origins and history the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with witnesses and progresses to take instruction and become a baptized member the book then explores what is involved in being a witness congregational life lifestyle rites of passage their understanding of the bible and prophetic expectations it examines the various processes and consequences of leaving the organization controversies that have arisen in the course of its history and popular criticisms discussion is given to the likelihood of reforms within the organization such as its stance on blood transfusions the role of women and new methods of meeting and evangelizing in response to the covid 19 pandemic many people believe that jehovah s witnesses are authorities on the bible the truth is they are not but they are experts in evangelism the next time a jw knocks at your door be prepared to engage them not in discussion or arguments but rather by asking them questions which defeat their arguments using their own bible translation perhaps god will use these questions to penetrate their programmed responses shatter their belief in the watchtower organization and ultimately lead them into a personal salvation through jesus christ book jacket maria is a young woman raised as a jehovah s witness in south africa and this book documents her experiences of gender victimisation sexual abuse and cover ups within the church as well as her eventual escape from its doctrines and control maria s freedom came at a price however she can never see her mother and sister again a worldwide christian based religious group that professes an unparalleled dedication to jehovah god the jehovah s witnesses have a strong sense of community and appear to embrace a disciplined yet loving way of life with the promise of eternal salvation for those who follow the way of jehovah

seemingly benign religious movement claiming to be politically neutral racially and ethnically transcendent with a membership of eight million people worldwide yet at its core many former witnesses claim that it is a fear based doomsday cult that considers itself above all other belief systems allegations of secular cultish behaviour homophobia money laundering brainwashing and countless accusations of institutionalised sexual abuse abound it seems that membership is managed and retained mostly by way of information control and manipulation extending to the shunning of higher education and preaching their own version of the bible entering the church is easy but leaving it can be a matter of life or death as maria and countless others discovered what would happen if i accepted an invitation to bible study from jehovah s witnesses what would attending a kingdom hall meeting involve and if i invited door knocking witnesses into my home this book introduces jehovah s witnesses without assuming prior knowledge of the watch tower organization after outlining the society s origins and history the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with witnesses and progresses to take instruction and become a baptized member the book then explores what is involved in being a witness congregational life lifestyle rites of passage their understanding of the bible and prophetic expectations it examines the various processes and consequences of leaving the organization controversies that have arisen in the course of its history and popular criticisms discussion is given to the likelihood of reforms within the organization such as its stance on blood transfusions the role of women and new methods of meeting and evangelizing in response to the covid 19 pandemic isis allthings felt numb as she gripped the arms of her airline seat she was catapulting herself and her four year old daughter into the unknown away from her religion five year marriage and the country she had settled in bavaria at age thirty two isis was on a courageous journey to begin a new life in her native country england where she rebelled against every belief and lie she had been taught since childhood in a compelling true story isis leads others into her past as she analyses the vulnerability that led to her mother s recruitment into the jehovah s witnesses after describing her own absorption into this secretive organization at the age of ten and subsequent life as a full time minister she divulges how personal sacrifices eventually led to her hard won freedom as a free spirit john ankerberg john weldon and dillon burroughs team up to revise and update the facts on jehovah s witnesses part of the popular facts on series more than 19 million copies of books from this series sold known for their extensive research and bible knowledge these authors offer readers the essential facts they need to evaluate and discuss today s issues regarding the jehovah s witnesses a religious organization and the watchtower society the concise easy to follow information helps readers answer such questions as what is the watchtower society and what power does it hold is the watchtower society s translation of the bible accurate is the society s teaching on salvation biblical whether the reader is merely curious or searching for specific information the facts on jehovah s witnesses will give them what they are looking for easy to understand factual and relevant information about this group examining how religion influences the dynamics of consumption in

developing nations this book illuminates the strategic placement of these nations on the global marketing stage both in terms of their current economic outlook and potential for growth christians have great news to offer jehovah s witnesses in this revised and updated version of the top selling reasoning from the scriptures with the jehovah s witnesses more than 90 000 copies sold author and bible expert ron rhodes helps readers delve into the bible and use practical tools to share god s truths with those who come calling convenient side by side comparisons of the new world translation and the bible along with answers to each doctrinal error espoused by the witnesses point by point lists of the favorite tactics and arguments used by the witnesses along with effective biblical responses to each questions you can ask to challenge the jehovah s witnesses confidence in the watchtower society with easy to understand helps concise information direct comparisons of beliefs and a compassionate presentation this resource from ron rhodes is ideal for personal and church libraries and for any reader who wants to confidently share the gospel the volume deals with the topic of religious freedom in europe and north america although not exclusively the contributions argue that a clear separation of state and church prevents privileged religions as well as evangelical movements supported by state interests from becoming power political factors that seek to mould a society according to their own values and to their benefit all too often politicians are happy to accept ideological support on behalf of a religious community or a religious grouping and then seek to further the interests and to promote these groups even though the two countries demonstrate differences such constellations may be identified in both the usa and in russia ralphy is the story of a typical midwestern u s family into whose lives is thrust a misfit a boy who was born flat and resembles a fish ralphy is a throwback to the time when human beings made a wrong turn and separated themselves from the other animals in breakthrough arthur m raintree ph d achieves his lifelong desire to become a research scientist but discovers that his work is of far less importance than living in peace and love with his family in the year 2020 the government has become a wasteland of military and religious righteousness there is only one person who can save us from self destruction before it is too late a genius who is prepared to die in order to accomplish this revolution the history of jehovah s witnesses in europe has always been one of persecution this third volume documents this history turning eastward for the first time the circumstances of a religious minority under different political systems can be compared across the continent the studies gathered here provide insight into the methods of repression used by governments and mainstream churches the survival strategies of jehovah s witnesses and their various experiences under eastern european dictatorships the initially cordial relationship with jehovah s witnesses that developed after 1990 has steadily reverted to religious discrimination culminating in russia s renewed ban of jehovah s witnesses in 2017 and the confiscation of their properties by violating the universal human right of religious freedom the same conditions that prevailed in the soviet era have now returned to modern russia with severest discrimination and abusing jurisdictional procedures to reach their political aspirations the state tries to crush a religious community

all the more important not to turn a blind eye to the situation of religious minorities in eastern europe but instead to take an honest public stance against it the book points out the lacuna in all religion the peoples ignorance of original text of scripture and reliance on academically unconcerned unlearned clergy the book introduces the authority of the arabic and aramaic languages and the ease with which these languages can be learned this book intends to strike a difference between books the writings of men and scripture the narration s of god a jaded young lawyer starts a church on a lark to exploit the growing trend of religious exemptions from common sense laws he stumbles into backing from a curmudgeonly billionaire and a powerful k street law firm leading to success beyond his wildest dreams his secret plan as he calls it is to self destruct by carrying the basic concept of religious privilege that he despises to and well past a logical extreme but the self destruction unfolds in a way he did not envision as he is sucked steadily deeper into a quagmire of deceit luis granados author of damned good company co editor of a jefferson bible for the twenty first century and rules are for schmucks columnist for thehumanist com takes us on a wild ride to a place let s hope we never reach footnotes unusual for a novel are included to let skeptical readers know how bizarre the world of religious legal privilege has already become the latest volume in the core concepts in higher education series explores the complexity of law in higher education and both the limits and opportunities of how law can promote inclusivity and access on campus through a historical and legal framework this volume discusses undergraduate students histories of inclusion and struggles for social justice in higher education by race sex social class dis ability and sexual orientation bridging research theory and practice law and social justice in higher education encourages future and current higher education and student affairs practitioners to consider how they can collaborate to further a just society special features discussion of case law illustrates the reach and limits of law and where higher education professionals can continue to push for social justice accessible to non lawyers chapters highlight key legal terms and key concepts to guide readers at the beginning of each chapter end of chapter questions provide prompts for discussion and encourage student interactivity what if i were to tell you that virtually every plant and animal species known to mankind is on the verge of going out of existence add to that the shocking news that mankind himself is being permanently modified to where the actual scientists performing these experiments upon humanity even admit that if we keep this up there will be no true humans left all three nightmarish scenarios are not only happening around the world as we speak but there is virtually little to no oversight to stop them which means our planet is being thrust headlong into a horrible apocalyptic ending of biblical proportions therefore this book hybrids super soldiers the coming genetic apocalypse vol 2 seeks to equip you the reader with the hardcore scientific evidence and biblical warnings from god concerning this modern day annihilation of virtually all life forms on the planet here you will see such shocking behaviors as human enhancements human animal hybrids super soldiers transhumanism the cinema of the precariat is the first book to lay out the incredible range of the precariat the social class suffering from precarity as well as a detailed report

on the cinematic record of their work and lives it discusses a thorough and definitive selection of more than 250 films and related visual media that take the measure of the precariat worldwide for example thousands of haitians including children harvest sugar cane in the dominican republic the price of sugar while illegal afghan refugees work in iran delbaran more familiar are the millions of latino immigrants legal or not of all ages that work in the united states food chains each chapter focuses on a sub class of the precariat or a contested zone of labor or the evolving political manifestation of the struggles of the unorganized and the dispossessed among the hundreds of bewildering film choices available nowadays this book offers the reader reliable guidance to the films bringing to life the economic political and social dilemmas faced by millions of the world s global workforce and their families using an easy question and answer format fast facts on jehovah s witnesses presents the major watchtower society teachings and how they contrast with biblical christianity from blood transfusions to salvation through works john ankerberg and john weldon expose the unorthodox doctrines that put jehovah s witnesses at risk physically and spiritually whether you are looking for specific answers or an overall understanding of jehovah s witnesses beliefs and practices fast facts on jehovah s witnesses delivers the information you need in a straightforward compelling manner book jacket but hey takes a journey into history and shares the mentality of our black ancestors as it pertained to every area of their lives as well as looks at the behavior of our current generation it will present some of the great success stories to show what can be accomplished in spite of discrimination and roadblocks if one has the mind to pursue a dream the book is motivational biblical inspirational historical political relational psychological philosophical ethical influential original and valuable refusal delay or limitation of medical treatments including vaccines is an increasing phenomenon facing nurses and other healthcare practitioners daily when a patient or family refuses treatment maybe even lifesaving treatment because it is contrary to their social religious or cultural beliefs it can plunge healthcare providers families and patients into a difficult emotionally charged conversation complex and diverse ethical dilemmas such as this can profoundly impact the health welfare and mental and emotional well being of everyone involved what s more today s nurses and healthcare professionals will almost inevitably face this situation or one like it against medical advice details many of the medical legal social cultural and religious factors associated with treatment refusals authors luanne linnard palmer and ellen christiansen prepare healthcare professionals to compassionately assess and understand people s beliefs cultures and philosophical perspectives their proven strategies and step by step examples guide providers to consider the patient s and family s point of view share concerns with other healthcare team members and negotiate the best possible outcome for all involved table of contents chapter 1 when medical treatment and patient needs clash chapter 2 overview and reasons for treatment refusals chapter 3 childhood vaccines hesitancy and refusals chapter 4 pediatric healthcare ethics and children s rights chapter 5 legal implications and consent informed consent assent and parental permission chapter 6 legal perspectives of treatment refusal refusal defined chapter 7 in the name of religion

historical influences to legal exemptions chapter 8 adult medical treatment refusals limitations and delays chapter 9 overview of religious doctrines chapter 10 the importance of cultural competence chapter 11 professional groups reactions to treatment refusal nursing medicine researchers and journalists chapter 12 overview of professional interventions power distance negotiation and safety appendix a reasons for parental decisions to refuse medical treatment appendix b guidelines for staff facing parental refusal of pediatric vaccines or medical treatments appendix c guidelines for staff facing adult refusal of medical treatments appendix d loss of parental guardianship court overriding of a parent's right to refuse medical treatment appendix e common concerns about vaccine administration appendix f pandemics and trust in rapid vaccine creation distribution and mandates appendix g best interest and the law should state statutes on child abuse be modified appendix h spiritual abuse defined appendix i resources for more information available on the sigma repository chapter 2 overview and reasons for treatment refusals ama quick facts about the authors luanne linnard palmer edd rn cpn is a professor of nursing at dominican university of california in san rafael california and a pediatric educational consultant and pediatric clinical nurse at sutter health's california pacific medical center in san francisco ellen christiansen dnp rn fnp bc phna bc is an associate professor of nursing at dominican university of california where she teaches community and public health nursing in an era of rapid growth of false religions worldwide christians need information they can trust this comprehensive new edition of the leading book on cults will equip you no matter your background to understand and use biblical truth to counter false religions including many that masquerade as mainstream christianity reflecting the developments in cults and world religions in recent years this edition updated by expert jill martin rische daughter of walter martin gives you the authoritative information you need to know as our culture becomes less and less outwardly christian awareness of the belief systems of those around us has never been more vital readable and reliable for everyone whether you're a teacher a pastor or a regular church attender the kingdom of the cults remains the go to reference book on this crucial topic m james penton offers a comprehensive overview of a remarkable religious movement from the witnesses inauspicious creation by a pennsylvania preacher in the 1870s to its position as a religious sect with millions of followers world wide this second edition features an afterword by the author and an expanded bibliography protestant periodicals in transition from the twentieth century to the digital age demarcates the field of religious periodical studies by offering a range of historical and contemporary case studies from different protestant traditions drawn from various regions of the world taking religion periodicals and their cultures seriously this volume focuses not only on content but on the people processes networks technologies and economics involved in periodical publishing case studies explore the role of the protestant magazine in defining policing and extending the boundaries of religious communities of engaging with and influencing the surrounding society through political activism and lifestyle advice and adapting to and sometimes spearheading technological changes to keep relevant in changing times first published in 1998 while there are even increasing numbers of

families with young children becoming homeless little is known about interventions which can promote homeless childrens resiliency this study identifies factors that contribute to homeless children s positive outcomes seventeen african american children and their mothers were identified through an agency that serves high risk homeless families the children were between the ages of three and six and a half a queda da torre traz uma revelação surpreendente sobre o poder oculto por trás da organização das testemunhas de jeová quando pensei em falar sobre este assunto deus me deu uma metáfora com a história de rapunzel rapunzel é uma princesa que vivia presa na torre de um castelo medieval a história de rapunzel tem muito a nos falar sobre seitas que nos isolam do mundo a torre é um lugar onde não se pode sair a pessoa fica ali presa sem contato com o mundo e assim perde a noção do tempo e da realidade esta é a tática de todas as seitas religiosas manter as pessoas alienadas e através da sua doutrinação realizar uma lavagem cerebral com elas e a torre de vigia tem feito isso por décadas através de mensagens subliminares e reprogramação mental uma organização envolvida em uma rede de ocultismo pedofilia e abuso sexual this book is titled comparative studies of world religions and covers the seven major religions judaism christianity islam hinduism buddhism sikhism and jainism the final chapter includes information about the important roles of women in ancient and contemporary history much has been written about the law as it affects new and minority religions but relatively little has been written about how such religions react to the law this book presents a wide variety of responses by minority religions to the legal environments within which they find themselves an international panel of experts offer examples from north america europe and asia demonstrating how religions with relatively little status may resort to violence or passive acceptance of the law how they may change their beliefs or practices in order to be in compliance with the law or how they may resort to the law itself in order to change their legal standing sometimes by forging alliances with those with more power or authority to achieve their goals the volume concludes by applying theoretical insights from sociological studies of law religion and social movements to the variety of responses the first systematic collection focussing on how minority religions respond to efforts at social control by various governmental agents this book provides a vital reference for scholars of religion and the law new religious movements minority religions and the sociology of religion explains the consent process for common surgical procedures included in the icsp and mrca syllabuses and assessed in higher specialist training

Answering Jehovah's Witnesses

1996-05

this book guides christians to discuss non biblical issues with jehovah s witnesses subject by subject in a non confrontational manner

A Catholic Response to the Jehovah's Witnesses

2014-07-16

a catholic response to the jehovahs witnesses is a departure from the authors usual subject of books and articles on aspects of catholic spirituality having met with many witnesses over the years she was prompted to write the book as a response to them it also addresses the concern many catholics have as to how to engage with witnesses and how they might evaluate their teachings it is written in an informal style to introduce readers to the various aspects of the doctrines of the jehovahs witnesses and how a catholic might respond to them from their own tradition and the theology of the catholic church

Jehovah-Talk

2009-12-04

jehovah s witnesses have a unique vocabulary incomprehensible to outsiders they also use familiar christian terms to mean something different from standard usage this book is a dictionary of such j w ese language moreover it explains how jws engage in doubletalk when speaking with outsiders and tells the reader how to break through that doubletalk to share the gospel of christ with those trapped inside the cult david a reed has authored more than a dozen books including answering jehovah s witnesses subject by subject and the popular jehovah s witnesses answered verse by verse

A People for His Name

2007-02

a history of the watchtower bible tract society jehovah s witnesses from their origins in the 1870s up to the mid 1960s long out of print now in a second edition this title was originally published using the pen

name timothy white

Our Friends

1992

in her breakthrough book knock knock shedding light on jehovah s witnesses at the door born again author ruth baker uses her twenty years of experience as a jehovah s witness to unveil the mystery of this obscure cult this shocking testimony will not only equip christians to properly protect themselves their families and friends from the unseen forces of darkness but will also challenged them to boldly defend the truth with confidence and love this book is an essential weapon in preparing for the next knock knock

Knock, Knock

2007-10

privatization the transfer of responsibility for public services from the public to the private sector currently evokes intense interest from policy makers to its advocates privatization conjures up visions of a lean streamlined public sector reliant upon the private marketplace for the delivery of public services to opponents it conjures up visions of a beleaguered government bureaucracy ceding vital public services to unreliable entrepreneurs at best privatization can reduce the costs of government and introduce new possibilities for the better delivery of services at worst it may undermine equity quality and accountability in privatization and its alternatives distinguished scholars from several social science disciplines evaluate privatization efforts in the united states and abroad and at different levels of government federal state and local they look primarily at three important policy areas education housing and law enforcement that sharply illustrate the dilemmas facing policy makers as the debate about privatization shifts from the delivery of hard services such as refuse collection to human services contributors have very different perspectives some are enthusiastic about privatization others are very skeptical indeed none of these papers has been published elsewhere the volume developed from a 1987 conference on privatization sponsored by the la follette institute of public affairs at the university of wisconsin madison a particular strength of this collection lies in its consideration of alternative forms of service delivery the privatization of public housing for instance may involve subsidies to the poor vouchers tenant management a hybrid form of privatization or outright sale how and how well have such policies worked examples from other countries may prove especially enlightening the english sale of public housing to tenants is one of the largest asset sales in the entire privatization movement australia has

experimented with public subsidies to private schools and japan has experimented with the privatization of law enforcement and corrections these issues are the subject of lively public debate in the united states today and are discussed at length in this volume thus privatization and its alternatives speaks not only to scholars of public policy but also to a wide range of practitioner who must decide whether or how to privatize

Our Friends: The Jehovah's Witnesses

1985

what would happen if i accepted an invitation to bible study from jehovah s witnesses what would attending a kingdom hall meeting involve and if i invited door knocking witnesses into my home this book introduces jehovah s witnesses without assuming prior knowledge of the watch tower organization after outlining the society s origins and history the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with witnesses and progresses to take instruction and become a baptized member the book then explores what is involved in being a witness congregational life lifestyle rites of passage their understanding of the bible and prophetic expectations it examines the various processes and consequences of leaving the organization controversies that have arisen in the course of its history and popular criticisms discussion is given to the likelihood of reforms within the organization such as its stance on blood transfusions the role of women and new methods of meeting and evangelizing in response to the covid 19 pandemic

Between Resistance and Martyrdom

2008

many people believe that jehovah s witnesses are authorities on the bible the truth is they are not but they are experts in evangelism the next time a jw knocks at your door be prepared to engage them not in discussion or arguments but rather by asking them questions which defeat their arguments using their own bible translation perhaps god will use these questions to penetrate their programmed responses shatter their belief in the watchtower organization and ultimately lead them into a personal salvation through jesus christ book jacket

The Facts on Jehovah's Witnesses

2008-08-01

the volume deals with the topic of religious freedom in europe and north america although not exclusively the contributions argue that a clear separation of state and church prevents privileged religions as well as evangelical movements supported by state interests from becoming power political factors that seek to mould a society according to their own values and to their benefit all too often politicians are happy to accept ideological support on behalf of a religious community or a religious grouping and then seek to further the interests and to promote these groups even though the two countries demonstrate differences such constellations may be identified in both the usa and in russia

Religion and Consumer Behaviour in Developing Nations

2021-01-29

ralphy is the story of a typical midwestern u s family into whose lives is thrust a misfit a boy who was born flat and resembles a fish ralphy is a throwback to the time when human beings made a wrong turn and separated themselves from the other animals in breakthrough arthur m raintree ph d achieves his lifelong desire to become a research scientist but discovers that his work is of far less importance than living in

peace and love with his family in the year 2020 the government has become a wasteland of military and religious righteousness there is only one person who can save us from self destruction before it is too late a genius who is prepared to die in order to accomplish this revolution

Jehovah's Witnesses

2001

the history of jehovah s witnesses in europe has always been one of persecution this third volume documents this history turning eastward for the first time the circumstances of a religious minority under different political systems can be compared across the continent the studies gathered here provide insight into the methods of repression used by governments and mainstream churches the survival strategies of jehovah s witnesses and their various experiences under eastern european dictatorships the initially cordial relationship with jehovah s witnesses that developed after 1990 has steadily reverted to religious discrimination culminating in russia s renewed ban of jehovah s witnesses in 2017 and the confiscation of their properties by violating the universal human right of religious freedom the same conditions that prevailed in the soviet era have now returned to modern russia with severest discrimination and abusing jurisdictional procedures to reach their political aspirations the state tries to crush a religious community against this background it is all the more important not to turn a blind eye to the situation of religious minorities in eastern europe but instead to take an honest public stance against it

Reasoning from the Scriptures with the Jehovah's Witnesses

2009-07-01

the book points out the lacuna in all religion the peoples ignorance of original text of scripture and reliance on academically unconcerned unlearned clergy the book introduces the authority of the arabic and aramaic languages and the ease with which these languages can be learned this book intends to strike a difference between books the writings of men and scripture the narration s of god

Watchtower vs. Protestant

2020

a jaded young lawyer starts a church on a lark to exploit the growing trend of religious exemptions from

common sense laws he stumbles into backing from a curmudgeonly billionaire and a powerful k street law firm leading to success beyond his wildest dreams his secret plan as he calls it is to self destruct by carrying the basic concept of religious privilege that he despises to and well past a logical extreme but the self destruction unfolds in a way he did not envision as he is sucked steadily deeper into a quagmire of deceit luis granados author of damned good company co editor of a jefferson bible for the twenty first century and rules are for schmucks columnist for thehumanist com takes us on a wild ride to a place let s hope we never reach footnotes unusual for a novel are included to let skeptical readers know how bizarre the world of religious legal privilege has already become

Limitations of religious freedom by privileged state religions (ecclesiae) - particularly in authoritarian states but also in democracies

2003
