~~special number code is but using the prism of esotericism~~
leads its readers to a revolutionary understanding of
themselves and the wider universe this book provides a
fascinating way to discover the true self and is imbued with
a caring and responsible attitude to its readers it contains
the author s own deeply considered verses in the native
american lyrical epic style which have been designed to
help the reader contemplate the energies present within
them through the historical experience of the intersection
of sacred knowledge and the human perception of
existence who this book is for for pathfinders every person
at least once in their life asks a question about themselves
everyone is searching for the truth who am i and what is
my destiny the book answers questions about identity
essence meaning and the way we chose to follow in
addition the destiny code gives clear instructions and
reveals routes to finding the truth and coming to a better
version of self for esoteric masters the destiny code is for
those who already have experience in the sacred
knowledge to expand the boundaries of their vision this
book is for those who are able to go above and beyond the
generally accepted norms for those who can and want to
consider the multiple layers of reality for those who see
and search for sacred meanings for skeptics denial of
reality is just a poor awareness of the existence of the self
in this real life if something doesn t seem clear it s worth to
study this question even deeper the book the destiny code
is the author s view of the numerological system and the
tool of self discovery through the metaphorical system of
esoteric and magic it s also a reflection on who are we and
where do we go next by looking back at the experience of
our ancestors it is a manifesto that calls for sensitivity and
consideration for everyone living on earth
