## ***Treasure in a Snowbank 2023-03-15***

a naive young clerina is brought by her much beloved husband leonardo from the towering mystical mountains of southern italy to america s flat heartland where there is promise of better livelihood as she struggles to understand an alien culture reels from deaths of children and agonizes over bitter letters from her disapproving mother in italy her spirit gradually fades the story mirrors the trauma of many immigrants to this country it also faithfully depicts ordinary life in the italian community of des moines iowa early in the 20th century

## **Child Life 1901**

this book uses case studies of aotearoa new zealand policy formulation and practice to explore early childhood education and care ecec as a site for democratic citizenship and social justice addressing fundamental questions about the purpose of education it argues for explicit values focusing on children and childhood as a basis for ecec policy to replace discourses of economic investment and child vulnerability that are dominant within policy goals in many countries a commitment to democracy and equity is a good place to start aotearoa new zealand is of special interest because of its world renowned ece curriculum te whāriki which is based on principles of social justice respect for rights and an aim to support children growing up in a democracy the curriculum upholds māori rights to tino rangatiratanga absolute authority over their lives and resources yet aotearoa new zealand s extreme market policies and harsh labour laws during recent periods run contrary to ideals of democracy and are puzzlingly inconsistent with curriculum principles the book starts with an analysis and critique of global trends in ecec in countries that share capitalist mixed economies of welfare and where competition and marketisation have become dominant principles it then analyses ideas about children childhood and ecec within a framework of democracy going back to the athenean origins of democracy and including recent literature on meanings and traditions of democracy in education the book uses vivid examples from researching curriculum pedagogy and assessment practices within aotearoa new zealand ecec settings and collective action to influence policy change in order to illustrate opportunities for democratic education it concludes by examining what conditions might be needed for integrated and democratic ecec provision in aotearoa new zealand and what changes are necessary for the future it offers a compass not a map it points to promising directions and provides insights into issues in ecec policy and practice that are of current global concern
