this carefully crafted ebook the rougon macquart cycle complete collection all 20 novels in one volume is formatted for your ereader with a functional and detailed table of contents les rougon macquart is the collective title given to a cycle of twenty novels by french writer Émile zola subtitled natural and social history of a family under the second empire it follows the life of one family during the second french empire 1852 1870 in this tremendous work zola first and foremost examines the impact of social environment on men and women by varying the social economic political and professional milieu in which each novel takes place it provides us with a close look at everyday life gives us a deep insight into important social changes and it shows us the true people s history of the second empire table of contents the fortune of the rougons la fortune des rougon the kill la curée the belly of paris le ventre de paris the conquest of plassans la conquête de plassans the sin of father mouret la faute de l abbé mouret his excellency eugène rougon son excellence eugène rougon the drinking den l assommoir one page of love une page d amour nana piping hot pot bouille the ladies paradise au bonheur des dames the joy of life la joie de vivre germinal the masterpiece l Œuvre the earth la terre the dream le rêve the beast in man la bête humaine money l argent the downfall la débâcle doctor pascal le docteur pascal Émile zola 1840 1902 french novelist critic and political activist who was the most prominent french novelist of the late 19th century he was noted for his theories of naturalism which underlie his monumental 20 novel series les rougon macquart and for his intervention in the dreyfus affair through his famous open letter j accuse germinal 1885 is the thirteenth in Émile zola s cycle of twenty novels about the rougon macquart dynasty it tells the story of Étienne lantier from the illegitimate macquart branch of the family who arrives in the mining settlement of montsou and witnesses at first hand the appalling conditions in which miners live and work gradually becoming embroiled in a bitter dispute between the miners and their employers he eventually leads the strike which is the centrepiece of the novel but this is more than the struggle of labour against capital it is also the struggle of the hungry against the well fed against the passivity and resignation passed down over generations of starving people and ultimately against hunger itself represented by the fantastical devouring monster of the mine which swallows up men just as the beast of the modern industrial economy relentlessly swallows up capital this apparent pessimism about society is offset by the possibility of rebirth and regeneration for all the inherited misery of the downtrodden the old order may some day be overturned Émile zola was the most prominent french novelist of the late nineteenth century he was noted for his theories of naturalism which permeate his monumental 20 novel series les rougon macquart recognised in his lifetime as one of the greatest novelists of his era zola was also as a man of action a defender of truth and justice and a champion of the poor and persecuted for the first time in publishing history this ebook presents zola s complete works with numerous illustrations rare texts informative introductions and the usual
