The Will to Change 2004-01-06 from the new york times bestselling author of all about love a brave and astonishing work that challenges patriarchal culture and encourages men to reclaim the best part of themselves everyone needs to love and be loved even men but to know love men must be able to look at the ways that patriarchal culture keeps them from knowing themselves from being in touch with their feelings from loving in the will to change bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are whatever their age marital status ethnicity or sexual orientation but toxic masculinity punishes those fundamental emotions and it s so deeply ingrained in our society that it s hard for men to not comply but hooks wants to help change that with trademark candor and fierce intelligence hooks addresses the most common concerns of men such as fear of intimacy and loss of their patriarchal place in society in new and challenging ways she believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves and lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women

NVC 2021-12-08 thomas aquinas was one of the greatest western philosphers and one of the greatest theologians of the christian church in this book we at last have a modern comprehensive presentation of the total thought of aquinas books on aquinas invariably deal with either his philosophy or his theology but aquinas himself made no arbitrary division between his philosophical and his theological thought and this book allows readers to see him as a whole it introduces the full range of aquinas thinking and it relates his thinking to writers both earlier and later than aquinas himself

The Thought of Thomas Aquinas 1992-01-30 psychological roots of the climate crisis tells the story of a fundamental fight between a caring and an uncaring imagination it helps us to recognise the uncaring imagination in politics in culture for example in the writings of ayn rand and also in ourselves sally weintrobe argues that achieving the shift to greater care requires us to stop colluding with exceptionalism the rigid psychological mindset largely responsible for the climate crisis people in this mindset believe that they are entitled to have the lion s share and that they can rearrange reality with magical omnipotent thinking whenever reality limits these felt entitlements while this book s subject is grim its tone is reflective ironic light and at times humorous it is free of jargon and full of examples from history culture literature poetry everyday life and the author s experience as a psychoanalyst and a professional life that has been dedicated to helping people to face difficult truths

2016-11-15 do you want to make a permanent change this time can finally be different making a permanent change often feels outright impossible making one attempt after another you fail and continue to fail and it seems there s no way to make the change stick for longer than a couple of weeks perhaps except some people somehow manage to stick to their resolutions in the long term and their lives do get better permanently what makes the difference between those superheroes and mere mortals more importantly can the mortals acquire those superpowers or should they accept that they ll never be able to permanently change their lives written by bestselling author martin meadows this time will be different a short book on making permanent changes goes through a 4 step process called star that will take you on a journey from the moment you introduce a new change all the way to how to live your life after you ve successfully implemented it designed to be a short read packed with practical advice you can finish the entire book in just one or two sittings and quickly begin to implement it in your own life here are just some of the things you ll learn from the book one motivator you might not have thought about that can mean the difference between failure and success don t proceed any further until you learn about it what motivational links are and why they re crucial if you want to introduce permanent changes this unique concept alone can be enough to successfully implement a change in the long term how to gain traction when implementing new changes discover ccc a 2 step process designed to help you undergo an identity shift that leads to a permanent change 5 tools to help you persevere when you re struggling to stick to your new resolution that s when most people give up avoid their fate by applying the strategies discussed in this chapter 3 core principles to live your success it s not only about reaching success it s also about maintaining it which is often trickier than achieving it learn how to ensure permanent long term success if you re tired of consistently unsuccessful attempts and itch for a permanent positive change in your life buy this book now and learn how to finally make this time different

1981 2002-05-20 this classic collection of essays by e p thompson one of england s most renowned socialist voices remains a staple text in the history of marxist theory the bulk of the book is dedicated to thompson s famous polemic against louis althusser and what he considers the reductionism and authoritarianism of althusserian structuralism in lively and erudite prose thompson argues for a self critical and unapologetically humanist marxist tradition also included are three essays of considerable importance to the development of the new left

This Time Will Be Different 2017

1977 we all engage in relationships for various reasons good communication is the key to having a good relationship the writings show biblical principles of unity and beauty established in the book of genesis these principles are reviewed to show how these same biblical principles apply to relationships today information from the book of genesis and the book of galatians is used to merge the old testament biblical principles to new testament principles about the fruit of the spirit specific examples of communication issues in personal relationships are detailed to help the reader identify godly ways to resolve conflict in communication the connection between unity and beauty is used to address godly ways to navigate spiritual warfare

Climate Change and Agriculture 1990 we all engage in relationships for various reasons good communication is the key to having a good relationship the writings show biblical principles of unity and beauty established in the book of genesis these principles are reviewed to show how these same biblical principles apply to relationships today information from the book of genesis and the book of galatians is used to merge the old testament biblical principles to new testament principles about the fruit of the spirit specific examples of communication issues in personal relationships are detailed to help the reader identify godly ways to resolve conflict in communication the connection between unity and beauty is used to address godly ways to navigate spiritual warfare

i decided 2010-10 i decided uncovers the transformative power of decision making serving as the catalyst for profound life change author kelly holtman is an accomplished artist and financial services professional whose debut book is a compelling exploration of the specific words that mark the moment when one shifts from mere wishes to decisive actions dive into the pages of i decided and discover the significant impact that intentional decisions can have on shaping the course of your life having reached a crucial juncture in her life questioning the possibility of a more meaningful existence beyond the mundane routine holtman noticed a common thread among successful individuals who steered their lives in positive directions what stood out in their stories were two simple words i decided it became evident that these words marked the precise moment when they began their transformative journeys intentional decision making is the compass that guides the course of our lives and in i decided holtman explores its transformative impact it s the deliberate act of aligning our choices with our values goals and aspirations steering you toward a life of purpose and fulfillment i decided is a call to action challenging you to take control of your narrative and sculpt a future that reflects your authentic self if you re ready to break free from your current state unleash your potential and embrace the life you ve always desired this book is your inspiration to make the decisions that will redefine your journey embrace the power of intentionality and witness how your decisions can become the driving force behind a life rich in meaning and accomplishment
