press transcription of the lawrence county press for the years 1888
1894 the piankeshaws delewares shawnees and pottawattomies once held
claim to the land now known as lawrence county throughout the
centuries this area has undergone many periods of dramatic change
creating the rich history that is explored in this volume author
maxine kruse has created a fascinating and comprehensive visual record
that explores the history of lawrence county through a vivid
combination of over 200 vintage images and captions each area within
the county offers its own fascinating history mitchell was the
birthplace of virgil gus grissom and famous train robber sam bass
williams is noted for its covered bridge the longest bridge span still
in use oolitic was settled by italian stone mill workers bringing a
taste of italy to indiana a history of the community and people of
lawrence county arkansas from the beginning tales of lawrence county
pennsylvania contains some 400 pages of true human interest stories
stories cover native americans entrepreneurs steel industrialists
crime and punishment valiant soldiers black history women s
contributions and much much more representing some ten years of
research these stories include the rise and sometimes fall of some of
lawrence county s rich and famous and the history of engineering basic

Lawrence County

1972

volume 1 also contains 57 chapters of col james e saunder s early
settlers of lawrence county which begins with the indian days and
guides the reader through the early history of lawrence county up
through the description of the men and actions of the 9th and 16th
alabama infantry regiments

The Life and Character of Capt. Wm. B. Allen

1853

excerpt from book of biographies the volume contains biographical sketches of leading citizens of lawrence county pennsylvania it has been our purpose in the preparation of this work to pass over no phase or portion of it slightly but to give attention to the smallest points and thus invest it with an air of accuracy to be obtained in no other way the result has amply justified the care that has been taken for it is our honest belief that no more reliable production under the circumstances could have been compiled about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are
