from protest to power social democracy in canada 1900 present

development of this important discourse presenting in depth case studies of the albert medal and the carnegie hero fund alongside a nationwide analysis of heroism monuments and an exploration of radical approaches to the concept unlike its military and imperial counterparts everyday heroism embraced the heroine and this study reflects that with an examination of female heroism discovering why certain individuals or acts were accorded the status of being heroic also provides insights into those that recognized them heroism is a flexible and malleable constellation of ideas shaped or constructed along different lines by different people so if you want to identify the characteristics of a group or society much can be learnt by studying those it holds up as heroic consequently everyday heroism victorian constructions of the heroic civilian provides valuable and revealing evidence for a wide range of social and cultural topics including class gender identity memory celebrity and literary and visual culture
