before the american civil war men and women who imagined a multiracial american society social visionaries included protestant sacred music in their speeches and writings music affirmed the humanity and equality of indians whites and blacks and validated

blacks and indians as americans in contrast to dominant voices of white racial privilege social visionaries criticized republican hypocrisy and christian hypocrisy many social visionaries wrote hymns transcending racial lines and creating a sense of equality among singers and their audience singing and reading protestant sacred music encouraged community formation that led to american human rights activism in the 19th and 20th centuries

the psychological and religious implications of alchemy were jung's major preoccupation during the last thirty years of his life the essays composing the present volume complete the publication of his alchemical researches to which three entire volumes have been devoted the monumental mysterium coniunctionis psychology and alchemy and aion besides shorter papers in other volumes this collection of shorter alchemical studies has special value as an

introduction to jung s work on alchemy the first study on chinese alchemy marked the beginning of his interest in the subject and was originally published in a volume written jointly with richard wilhelm the other four are now published for the first time completely in english
