Sheet Metal Industries 1990

sales management offers a global perspective on the opportunities and issues facing today's sales managers. current textbooks have failed to move beyond the US context. sales management provides unique access to European and international experts with globally relevant case studies.

The Engineer 1978

originally published in 1995, this book provides an authoritative and stimulating account of the issues and problems facing transport planners in the 21st century. the contributors, leading authorities from North America and Europe, put forward a wide range of points from which future technical developments and transport will be approached. they review the ways in which human needs and national expectations can be served by technological developments in the 21st century.

Passenger Transport After 2000 A.D. 2021-05-11

the military balance has been published annually since 1959. the 2023 edition provides an open source assessment of the armed forces and equipment inventories of 173 countries with accompanying defence economics data alongside detailed country data. the military balance assesses important military issues region by region and includes graphics to illustrate these as well as noteworthy equipment developments. maps this year include a focus on Russia's full scale invasion of Ukraine and select China-Russia military cooperation activities. the book draws on the range of data carried in the Military Balance Online Database, particularly the procurement

features in each regional section the accompanying wallchart explores the military use of outer space an increasingly important element of defence capabilities focusing on china russia and the united states for those involved in defence and security policymaking analysis and research the military balance is an indispensable source

Excerpta Medica 1982

this book investigates the experiences of second and third generation italians living in south africa exploring how nostalgia for italy influences their sense of identity and belonging the italian community in south africa is a unique diaspora with a complex history including roots in italian colonial activities in africa and in world war ii this book looks at how the descendants of these early migrants take pride in being italian and value the italian language they also ascribe much importance to their family roots and have often created a romanticized image of italy mostly based on childhood vacation visits the longing for an imaginary idealized version of italy is closely linked to their wider search for a sense of identity and belonging against the backdrop of south african society currently still grappling with its own multicultural identity interdisciplinary by design this book draws on insights from both cultural studies and psychology in order to shine a light on an important and under studied diasporic community the book will be of interest to scholars from across migration studies and the humanities in general the open access version of this book available at taylorfrancis com has been made available under a creative commons attribution non commercial no derivatives cc by nc nd 4 0 license

□□□□ No.442 2006

as the age of big data emerges it becomes necessary to take the five dimensions of big data volume variety velocity volatility and veracity and focus these dimensions towards one critical emphasis value the encyclopedia of business analytics and optimization confronts the challenges of information retrieval in the age of big data by exploring recent advances in the areas of knowledge management data visualization interdisciplinary communication and others through its critical approach and practical application this book will be a must have reference for any professional leader analyst or manager interested in making the most of the knowledge resources at their disposal

Daily motive. Professional DNA 1993

published each year since 1959 the military balance is an indispensable reference to the capabilities of armed forces across the globe it will be of interest to anyone interested in security and military issues and is regularly consulted by academia media armed forces the private sector and government key elements 1 data on the military organisations equipment inventories and defence budgets of 171 countries 2 analysis of major

The Italian Diaspora in South Africa 1983-07

this book is an authentic historical document supported by extensive analytical information in which former fiat top manager giorgio garuzzo passionately recounts his experience within fiat between 1976 and 1996 it is a narrative from the inside that sheds new light on events that have remained cloaked in mystery the arrival and departure of carlo de benedetti the march of the forty thousand the sacking of vittorio ghidella the clashes between umberto agnelli and cesare romiti the group s involvement in the clean hands scandal the role of gianni agnelli and his relationships with his brother and cesare romiti and the intervention of mediobanca garuzzo discusses the issues connected with the range of cars and marques touching on major themes of national or international relevance that were unrelated to fiat but nonetheless conditioned its activities terrorism and the unmanageability of the factories inflation the devaluation of the lira the role of the trade unions and the general confederation of italian industry japanese competition and european integration
