History of the Council of Europe

2013-04-01

the council of europe the oldest european organisation was founded in 1949 with the aim of unifying the continent as a whole the decision to establish its headquarters in strasbourg was moreover symbolic of the desire for reconciliation between peoples from the outset the council of europe adopted an institutional structure comprising a committee of ministers and a parliamentary assembly the first in europe this book retraces the history of the organisation consisting initially of western european states the council of europe was destined to embrace all the continent's countries but the cold war delayed its enlargement it is only since 1989 that the council of europe has become a truly pan european organisation now comprising 47 member states its mission is based on three major goals protecting human rights promoting democratic values and guaranteeing the rule of law the council of europe is also very active in fostering co operation in all areas of life education sport culture etc starting in 1959 the european court of human rights grew to become the organisation's flagship institution its judgments are binding on the member states as an intergovernmental organisation the council of europe has had to contend with the growth of the european union and has sought constantly to redefine its role in international relations in these early years of the 21st century will it succeed in securing a key position in the european institutional architecture

The Council of Europe

2010-01-01

the council of europe is the oldest of european institutions under the banner of human rights and democracy it brings together 47 member states ranging from finland to turkey and from switzerland to russia its parliamentary assembly represents over 800 million europeans and its conventions for the protection of social and fundamental rights are among the most successful in the world however this organisation receives little recognition and is still frequently confused with the european union building upon the momentum created during the celebrations of the council of europe's 60th anniversary this publication offers an opportunity to rediscover its history activities and achievements

council of europe

2003-01-01

the book provides a succinct and much needed introduction to the council of europe from its foundation through the early conventions on human rights and culture to its expansion into the fields of social affairs environment and education founded in 1949 within a month of nato the council of europe was the hub of political debate about integrating europe after the second world war after the berlin wall came down in 1989 it was thrust into the limelight again as the test bed where all newly liberated european states had to prove their democratic credentials now it is the political arena in which the closely integrating states of the european union face the twenty european states still outside the eu its european court of human rights hands down judgments which all member states must respect and its monitoring activities report on conditions concerning democracy human rights and the rule of law across the whole continent the council of europe has negotiated international agreements against the death penalty torture corruption cybercrime and terrorism it works for political pluralism media freedom and fair elections the treatment for minorities efficient local government and strengthening non government organisations are part of its daily agenda today the states of greater europe come together to discuss their present and their future in the council of europe providing a wealth of factual information and describing and analysing the key debates within the organization this work will be of great interest to students and scholars of international organizations european politics and international relations

The Council of Europe

1956

the council of europe the oldest european organisation was founded in 1949 with the aim of unifying the continent as a whole the decision to establish its headquarters in strasbourg was moreover symbolic of the desire for reconciliation between peoples from the outset the council of europe adopted an institutional structure comprising a committee of ministers and a parliamentary assembly the first in europe this book retraces the history of the organisation consisting initially of western european states the council of europe was destined to embrace all the continent's countries but the cold war delayed its enlargement it is only since 1989 that the council of europe has become a truly pan european organisation now comprising 47 member states its mission is based on three major goals protecting human rights promoting democratic values and guaranteeing the rule of law the council of europe is also very active in fostering co operation in all areas of life education sport culture etc starting in 1959 the european court of human rights grew to become the organisation's flagship institution its judgments are binding on the member states as an intergovernmental organisation the council of europe has had to contend with the growth of the european union and has sought constantly to redefine its role in international relations in these early years of the 21st century will it succeed in securing a key position in the european institutional architecture

The Council of Europe

2012-03-12

this reference book compiled by twenty three european authors presents some of the major challenges facing a greater europe in the political judicial diplomatic social cultural fields

council of europe

1967-01-01

the council of europe after 40 years of activities with roma is intensifying its commitment to monitoring and improving their situation and to involving their representatives in the creation of the policies which concern them this publication a reference

work and an analysis intended to further knowledge and inspire reflection on the issues presents a summary of the relevant adopted texts and activities by placing them in a historical perspective the facts all too often isolated must be given greater visibility to increase their legibility beyond a simple summary and foster a long term vision devised to be useful to both political decision makers and to administrative representatives at european national and local levels and to activists in non governmental organisations this work will interest everyone concerned by the situation of roma in europe

History of the Council of Europe

2013

this report describes all the work carried out in 2004 by the council of europe s bodies and in its various areas of activity following monaco s accession on 5 october the council of europe has forty six member states it has virtually completed its enlargement only belarus is still not a member due to its lack of respect for human rights and democratic principles from the rose revolution in georgia to the orange revolution in ukraine from the ethnic violence in kosovo in march to the various conflicts that were more or less deadlocked on the borders of several member states a number of major developments prompted the council of europe to intervene and take action in 2004 a few months after the terrorist attack in madrid the beslan tragedy strengthened the organisation s determination to combat terrorism a responsibility that is now assigned to a specialist committee the codexter
