kingdom within seven years she will forever remain a mortal during her journey heart realizes that being human isn't as glamorous as she thought it would be but in exchange for the mortal knowledge she gains heart reveals magical powers to children everywhere which could change the way mankind looks at things she's just discovered she's pregnant he's just traded in his essential car for a motorbike cue secrets and a roller coaster journey of discovery jen's partner michael has never been in a relationship for more than four years so with their fourth anniversary coming up she's getting understandably nervous especially as she's just discovered she's going to have a baby for jen it's a dream come true and the happiest of accidents but michael has always said he doesn't want any more children other than kyle his teenage son she means to tell him about the baby straight away but that's when he turns up on the motorbike full of dreams of the two of them riding through the pyrenees on a care-free trip of a lifetime somehow jen ends up keeping her news about the baby to herself is michael having an early mid-life crisis jen has always been easy-going the type who often lets others make decisions for her but the baby has changed everything she has to be strong and she has to do everything she can to provide the best of futures for her unborn child determined to save her relationship jen decides to take some drastic action aided and abetted by her two very different best friends jen embarks on some detective work that takes her as far afield as cuba and north norfolk if she can find out why all michael's other relationships failed maybe she can stop the same thing from happening to her but as her pregnancy clock ticks jen has no idea of the can of worms her investigations are going to open up why do all michael's relationships break up and what's the big secret he's been hiding from her and will her quest to provide a happy family unit for her unborn
