suzuki vitara jx 98 window problem suzuki forums

Apr 07 2023

if your problem is that the window is not balanced
as it is going up and down then you can adjust
this on the horizontal bracket that holds the
window in place so that the window is level
otherwise it is possible that cable of the
regulator is jammed or broken

the vitara s suv like driving position is well
judged and while the dials steering wheel and gear
stick that sit before you don t look particularly
inspiring or cutting edge they all work

need to replace glass and manual window winder in door

Jan 04 2023

you are going to have to call around to local
junkyards for the window do not order a window
glass for shipping as it will break you can find
junkyard parts online yes they have websites
