approach for doing something a common approach for adapting to the new economic environment was to globalize business activities approach in something research has led to new approaches in sales training a to make advances to especially in order to create a desired result was approached by several Broadway producers b to take preliminary steps toward accomplishment or full knowledge or experience of try to approach the subject with an open mind intransitive verb 1 to draw nearer to come near or nearer to something or someone in space time quality or amount we could just see the train approaching in the distance if you look out of the window on the left you'll see that we're now approaching the Eiffel Tower I see it's approaching lunchtime so let's take a break what is the preferred way to express something like this an approach to design a software system here design is a verb or an approach to design of a software system here design is a way of doing something Liam has a different approach to the problem we've decided to adopt take a new approach fewer examples her approach to childcare is based on intuition he was noted for his modern approach to architecture sometimes this approach can reap tremendous rewards which preposition is correct when approach is followed by doing something an efficient approach of to learning is doing things that are interesting while lazing from Longman Dictionary of Contemporary English approach 1 ə'prəʊtʃ ə'prəʊtʃs 2 w 1 əw 1 noun 1 method countable a method of doing something or dealing with a problem approach to a new approach to teaching languages he decided to adopt a different approach and teach the Bible through story telling countable a way of dealing with somebody something a way of doing or thinking about something such as a problem or a task she took the wrong approach in her dealings with them it was time to take a different approach an alternative innovative approach a traditional similar approach the approach they were using no longer seemed to work transitive approach something to start dealing with a problem task etc in a particular way to approach a subject matter task question what's the best way to approach this problem the issues should be approached with caution approach countable a way of dealing with someone or something a way of doing or thinking about something such as a problem or a task she took the wrong approach in her dealings with them approach to something the school has decided to adopt a different approach to discipline the phrase approach to doing is correct and usable in written English you can use it to describe a particular strategy or methodology for completing a task or reaching a goal for example the company adopted a new approach to doing research which resulted in more accurate results I'm struggling with the precise grammar of I plan to use this approach to do something but I think there are two different cases in this to do something is more like an adverbial expressing purpose modifying use rather than specifically modifying approach you can improve your approachability through your attitude behavior body language and words here are steps you can take to be more approachable in professional settings 1 smile a friendly facial expression can be inviting to people maintain a warm but natural smile when you are in the office or at a work event you can physically approach something like a waiter going to a table or you can approach a subject usually one you're a little nervous about like a new employee might approach her boss about getting a raise when used as a verb approach takes no preposition he approached me but if we want to specify the reason approached for what then we say he approached me for advice help when we use approach as a noun in the meaning of a way of doing smth we say an approach to e.g. we need have a different approach to it can I say an approach to do sth or an approach to doing sth for example we will be exploring different approaches to gathering or 1 hello I was doing my English homework and feels bemused after I checked the key answer to the question discovery learning is the most effective approach to deep and lasting understanding a facilitate b facilitating the key tells me option b is correct which confuses me 1 hello everybody I wondered what the difference between take an approach to do sth doing sth is as I came across this sentence in an academic textbook here it is because of the links between the type a behavior pattern and heart disease various approaches have been taken to changing this pattern of behavior to come near or nearer to something or someone in space time quality or amount we could just see the train approaching in the distance if you look out of the window on the left you'll see that we're now approaching the Eiffel Tower I see it's approaching lunchtime so let's take a break a black bear in an announcement on Wednesday June 12 Croton on Hudson village officials said they have received an increasing number of black bear sighting reports in the last few weeks according to officials this is likely because bears' movements increase in June as breeding season

begins and young bears disperse to find their own space
